FORM-IV

Form for seeking the prior approval under section 2 of proposal by the state Government and other authority.

	S.N O.	Project Details	
1	i	Short narrative of the proposal and project/scheme for which the forest and in required	The Proposed Land is for Expansion of Gevra Project for capacity enhancement from 52.5 MTY to 70 MTY.
	ii	Map showing the required forest area boundary of adjoining forest and item wise breakup of the required forest area for different purpose. (to be authenticated by an officer not below the rank of Deputy Conservator of forest.)	Attached in checklist no. 5
	iii	Total Cost of Project	Rs. 1181640 Lakhs
	iv	Justification for location of the project and the forest area giving alternatives. Examined and reasons for their rejection	Due to requirement of Power as well as Coal for National Growth, this expansion Project is likely to meet the enhanced coal demand of our country.
	V	Financial and social benefits	Economic and social benefits due to generation of employments as well as C.S.R. Activity of the adjacent area.
	VI	Employment generated	Employment likely to be generated is 4391 nos.
2		Location of the project Scheme	It is expansion of existing project which is under Katghora division, Pali Sub Division of Korba district
	I	State/Union Territory	Chhattisgarh
	II	District	Korba
	III	Forest Division forest Block Compartment etc.	Katghora Division
		Item wise breakup of the total land required for the project/Scheme along with its.	Gevra (81.38 Ha.) Khodri (12.913 Ha.)
4		Details of Forest land involved	94.293 Ha.
	I	Legal status of the forest namely, reserve, projected/un	Revenue Forest
	II	Details of flora and fauna existing in the area	-
	III	Density of vegetation	Non Forest
	IV	Species-wise and diameter class wise abstract of trees. Vulnerability of the forest area to erosion, whether it forms a part of a seriously eroded area of	Attached in checklist no. 12
	V	Vulnerability of the forest area to erosion,	No.

		whether it forms a part of a seriously eroded area of no	
	VI	Whether it forms a part of National. Park, Wildlife Sanctuary nature reserve biosphere reserve etc. and if so involved (specific comment of the Chief Wildlife Warden to be annexed)	No
	VII	Item wise breakup of the forest land required for the project/scheme for different purposes	It is for expansion of Mining activity Mining Quarry: 94.168 Ha. Mine Infrastructure: 0.125 Ha.
	VIII	Rare endangered species of flora and fauna found in the area	No.
	IX	Whether it is habitat for immigrating fauna of forms a breeding ground for them	No.
	X	Any other significance of the area relevant the proposal	No.
5		Details of department people due to the project	
	I	Total No of families involved in displacement	2046
	II	Number of scheduled caste/scheduled Tribal families involved is displacement	No. of Schedule Caste: 251 No. of Schedule tribes: 706
	III	Details of rehabilitation plan	Attached
6		Details of compensatory afforestation scheme	
	I	Details of Non forest area/degraded	Gariyaband (3, 5, 160, 161 & 232): 132 Ha. Identified, remaining 68 Ha. yet to be identified.
	II	Forest area identified for Not applicable compensatory afforestation its distance from adjoining number of patches size of each patches.	Not applicable
	III	Map showing non forest/degraded forest	Not yet received
	IV	Area identified compensatory afforestation and adjoining forest boundaries	Not applicable
	V	Detailed compensatory afforestation Attached scheme including species to be planted implementation agency time schedule cost structure etc.	Not yet received
	VI	total financial outlay the compensatory afforestation scheme	Not yet received
	VII	Certificates from competent authority regarding suitability of area indentified for compensatory afforestation and form management point of view (to be signed by an officer not below the rank of Deputy Conservation of forest)	Not yet received
7		Details regarding Transmission Lines.	Not applicable
	I	Total length of Transmission line	Not applicable
	II	length passing through forest area	Not applicable

	III	right of way	Not applicable
	IV	no fo towers erected	Not applicable
	V	Number of towers to be erected in forest area.	Not applicable
	VI	Height of transmission tower	Not applicable
8		Details if Irrigation Hydal applicable (Only for irrigation/hydel Project)	Not applicable
	I	Total catchment aera	Not applicable
	II	Total catchment aera	Not applicable
	III	Full reservoir level	Not applicable
	IV	High Flood level	Not applicable
	V	Minimum Drawal level	Not applicable
	VI	Break up aera falling in catchment area of the project. Forest land cultivation land pasture land human cultivation	Not applicable
	VII	Aera of submergence at hight flood leave	Not applicable
	VIII	Area of submergence at gull reservoir level	Not applicable
	IX	Area if submergence at 2 metre below full reservoir level	Not applicable
	X	Area of submergence at 4m below full reservoir level (for medium and major project only)	Not applicable
	XI	Area of submergence at high	Not applicable
	XII	Area of submergence at high	Not applicable
	XIII	Area of submergence at 2 meter.	Not applicable
	XIV	area of submergence at 4m below full reservoir level (for medium and major project only)	Not applicable
	XV	Area of submergence at minimum a withdrawal level	Not applicable
	XVI	Detailed catchment outlay and details regarding availability of funds for catchment area treatment plant.	Not applicable
9		Details regarding Road/Railway line (only for road/railway line proposal)	Not applicable
	I	Length and Width of the strips of forest area required	Not applicable
	II	Total length of Road	Not applicable
	III	Length of road already constructed	Not applicable
	IV	Length of the road passing through the forest.	Not applicable
10		Details regarding mining proposal (Only for mining proposal)	94.293 Ha.
	I	Total mining lease area and forest	1110.705 Ha. of forest land in total mining lease area of 4781.798 Ha.
	II	Period of mining lease proposed	17 years
	III	Estimate reserve of each	Non forest -872.88 M/T Forest land -258.11 M/T
	IV	Annual estimated production of	70 M/T per Year

	V	Nature of mining operation (Open)	Opencast
	VI	Phase reclamation plan	Attached
	VII	Gradient of the area where mining	-
	VIII	Copy of the case Deed (to be	Not applicable
	IX	Number of labour to be employed	Temporary Employment: 500
		Area of Forest land required for	94.293 Ha.
	a	Mining	94.168 Ha.
	b	Storing mineral ore	NIL
	c	Dumping of overburden	NIL
	d	Storing tools and machinery	NIL
	e	Construction of building power	NIL
	f	Township/housing colony	NIL
	g	Mine Infrastructure	0.125 Ha.
	h	Full land use plan of forest area	Attached
	X	Reasons why any of the activities referred to in (a) to (h). Above under the project which forest land has been asked for cannot be under/located outside forest area	Because coal reserve is within forest area
	XI	the extent of damages likely to be Attached caused and the number of trees of affected on account of mining and related activities	Attached
	XII	Distance of the mining area from More than 1.00 Km for the boundary of the perennial water course national and forest land. state highway national and state highways national park, sanctuaries and biosphere reserves.	More than 1.00 Km for the boundary of the forest land.
	XIII	Producer for stocking of the topsoil for reuse	User Agency: M/S SECL Gevra Project
	XIV	Extent of subsidence expected in underground mining operations and its impact on water, forest and other vegetation.	Not applicable
11		Cost benefit analysis	Total benefit of the project 35739.46645 Crores over a cost of project 11859.56 Crores
12		Whether clearance form/Yes environmental angle is required (Yes/No) If yes whether requisite details Yes/No)	Yes
13		Whether clearance form Yes environmental angle is required (Yes/No) If yes whether requisite details for the same have been furnished (Yes/No)	Yes
14		Whether any work in violation of the No act has been carried out (Yes/No)	No
	I	Details of the same including date of commencement	Not applicable
	II	Officers responsible for violation of the act	Not applicable

	III	Action taken against erring	Not applicable
	IV	Whether work in violation of the act is still in progress	Not applicable
15		Any other information	NIL
16		the forest department concerned covering the following aspect namely	
	I	Outruns of timber fuel wood and other Sufficient forest product from the forest land involved	Sufficient
	II	Whether the district is self sufficient in timber and	Sufficient
	III	the effect of the proposal on	Mining Proposal
	a	firewood supply to rural	Sufficient
	b	Economic and livelihood of the tribal and back ward communities	Not applicable
		Specific recommendation of the Chief Conservator of forest/Head of the forest department for acceptance or otherwise of the	

Certificate that all other alternatives for the purpose have been explored and other demand for the required area is the minimum demand for forest land.
