Madam,

This is with reference to the subject cited above and letter received from Nodal Officer-cum-Addl. Pr. CCF (FCA) Vide no. Ft.48-5251/2021 /FCA(Online) dated 29/03/2022 regarding the same. In this context, seven observations were raised by the concern office, annotated reply of which is as under:-

Point 2 The new ambulance road has been proposed to provide the immediate medical facility to the residents in case of emergency, the gradient between the mentioned roads is high and it is difficult for elderly and vulnerable population to commute to the mentioned roads

Point 3 Its pertains to CF office.

Point 4 Its pertains to DFO office.

Point 5 Its pertains to DFO office.

Yours Sincerely,
