विषय:- Diversion of 0.95 Ha. Forest land For Construction of CHC, In Forest Block-Nechhwa

(PF) Village-Nechhwa, Teh-Laxmangarh, Dist-Sikar (Raj.)

(Proposal no. FP/RJ/DISP/50853/2020) Date-11/10/2020

सन्दर्भ:- आपका पत्रांक 3855 दिनांक 01.04.2021 एवं मुख्य वन संरक्षक, जयपुर का

ई.डी.एस. दिनांक 01.04.2021

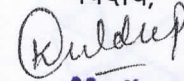

महोदय,

उपरोक्त विषयान्तर्गत संदर्भित पत्र के साथ संलग्न मुख्य वन संरक्षक, जयपुर के ई.डी.एस. दिनांक 01.04.2021 की सूचनाएं बिन्दुवार प्रस्तुत हैं:-

S.No.	Question	Answer
1	All corner GPS are not given in DGPS map of land asked for diversion.	All corner GPS has given in the DGPS map (Enclosed)
2	CCF Has to upload and attach his site inspection report.	Not related do this office.
3	No Evidence is given that no other land/revenue land is available for this purpose. Revenue department has to do verify that no other land is available for CHC.	Revenue department reported that no other alternative revenue land is available for this CHC by letter no 1484 date 23-11-2020 of sub divisional officer, Laxmangarh (Enclosed)
4	Why the road is proposed in eastern part of the forest block, it may be taken in western part of the forest block. Please clarify.	The land proposed for CHC in Eastern part of forest block is on the outer boundary of forest block and most suitable for CHC/Hospital purpose, so the land was proposed for diversion.
5	Plan is given for 0.650 ha. Forest land then why 0.950 land is proposed for diversion? Give detail plan of all the activities of the CHC.	Detailed Plan map of 0.95 Ha. Is enclosed.
6	CA Should be taken in the same forest block.	CA Plan is submitted in the same forest block. Nechhwa.

अतः बिन्दुवार पालना रिपोर्ट आगामी कार्यवाही हेतु प्रेषित है।
