

### PROJECT AT A GLANCE

Hindalco Industries, Limited, Sonebhadra U.P. submitted a proposal for transfer of 61.2348 ha forest land for the purpose of construction of ash disposal yard for its Thermal power plant situated at Renusagar, in Sonebhadra district, U.P. This project is prepared for afforestation to compensate the vegetation loss resulting from this land transfer for this compensatory afforestation on double degraded forest area i.e.  $2 \times 61.2348 = 122.4696$  or 122.5 ha will be taken up in Anpara Range of this division. At the rate of Rs 20,000/- per hectare total expenditure on 122.5 ha will be Rs 24,50,000/- (Twenty four lacs & fifty thousand only) in five years of project period. This project will provide employment opportunity to local people, about 59,000 mandays will be created from this project.
