

OFFICE OF THE EXECUTIVE ENGINEER
NATIONAL HIGHWAY DIVISION
BOLANGIR

No. 575 //Dt. 24-4-2018

To

The APCCF-Cum-Nodal Officer,
Forest Department, Bhubaneswar.

(Through Proper Channel)

Sub:- Diversion of 10.155 ha of forest land in Subarnapur Forest Division for Widening / Strengthening of existing Intermediate lane / Double lane to Double lane with 1.50 mtr. paved shoulder from 0/0 to 45/750 of N.H.-57 (Balangir-Sonepur Section).

Ref:- Proposal No. FP / OR / ROVTD / 17631 / 2016

Sir,

In inviting a kind reference to the above, it is to intimate you that Stage-I clearance of the above proposal has been obtained during December, 2017 and in pursuance to this the DFO, Subarnapur Forest Division has raised NPV for an amount of Rs. 63,52,030/- for deposit by user agency by uploading the demand note and generation of Challan online . But this Office is unable to transmit the demand note online for approval by the Nodal Officer followed by generation of challan, due to some technical problem of the web site. As communicated by the DFO, Subarnapur. It is learnt that the RCCF, Bhawanipatna is unable to transmit the proposal to the Nodal Officer which may be due to non-closure of proposal at stage-I level. In this connection NIC was consulted which advised to close EDS at Stage-I level so as to enable the initiation of process at Stage-II level, for uploading the demand note and generation of challan etc.

Hence it is requested to do the needful for resolving the software problem and approval of the NPV.

Yours faithfully,

Executive Engineer
N.H.Division, Bolangir
