The team of officers inspecting the construction of link road from Ogli to Summa Km 0/0 to 1/510 Teh. Sunni Distt. Shimla HP have further observed that the total length of road is 1.510 km out of which 0.240 km road has already been constructed by the department in forest land and further more the work has been stopped for want of forest clearance under Forest Conservation Act 1980. The road does not have any water source temple cremation, ground and other common purpose infrastructure and preferred to refer the case for seeking approval of competent authority under F.C.A for non forestry purpose.
