The Following Observations are found in the Proposal No. FP/RJ/MIN/149012/2021 Dated 20.04.2022 and

Compliance which need to be replied or rectified by user agency

S.No.	Coservations	Compliance
1	As per DSS analyses, 15.30 ha. of proposed forest area is within in the eco-sensitive zone of Band Baretha Wildlife Sanctuary. As per the site specific observations of DCF Bharatpur, it has been highly recommended that no mining lease should be given in this area. This State Govt has also recommended the proposal subject to the suggestions in recommendation given by the NO/CCF/DCF. The State Govt may therefore revisit the proposal and since 15.30 ha area is to be kept out of the mining lease, therefore the revised maps/documents may be submitted accordingly.	उक्त बिन्दु का जबाब कार्यालय उपवन संरक्षक भरतपुर से अपेक्षित है।
ㅂ	The total cost of Compensatory Afforestatation indicated on PARIVESH portal is Rs. 688.67 lakh whereas the total cost as per the CA Scheme prepared by the DCF, Bharatpur is Rs. 950.6739 lakh. The variation may be verified and the CA scheme approved by the competent authority be uploaded on the PARIVESH portal.	उक्त बिन्दु का जबाब कार्यालय उपवन संरक्षक भरतपुर से अपेक्षित है।
Ħ	As mentioned in the recommendations of DCF/CCF the detailed mining plan has not been submitted. The state govt. may therefore submit a copy of approved mining plan/detailed cluster mining plan incorporating the scope of common green infrastructure for all sub-lease to optimize resources and minimize ecological impact.	उक्त बिन्दु की पालना में माईनिंग प्लान पुनः अपलोड कर दिया गया है। साथ ही उक्त माईनिंग प्लान की प्रति कार्यालय उपवन संरक्षक भरतपुर में प्रस्तुत कर दी गई है।
₹.	The Cost Benefit analysis has not been prepared as per the guidelines issued by the ministry in the regard. The same may therefore be revised keeping in view the guidelines as well as the revised rates of NPV.	उक्त बिन्दु की पालना में नई गाईडलाईन के अनुसार Cost Benéfit analysis तैयार कर अपलोड कर दिया गया है।

The State Govt has proposed 300 ha area in four patches of DFL to plant the remaining plants which can not be accommodated in the CA area. As per DSS analysis certain encroachments are visible in the Shahpur area. The State Govt shall therefore ensure that the area proposed for CA and planting the remaining plants is free from all encumbrances and submit a certificate to this effect.	The kml file indicating the area proposed for safety zone has not been submitted, which is required to be done.	The proposal is in continuation of an earlier proposal no FP/RAJ/MIN/125714/2021 including an area of 398.0085 ha for which Stage-II approval has been issued by the Central Governemnt. The reasons/justification for submitting the proposals in piecemeal may therefore be submitted.
उक्त बिन्दु का जबाब कार्यालय उपवन संरक्षक भरतपुर से अपेक्षित है।	उक्त बिन्दु की पालना में परिवेश प्रोर्टल पर अपलोड ब्लॉक की KML में सैफ्टी जोन की KML को स्यान कलर (CYAN COLOUR) से मार्क किया गया है।	The proposal is in continuation of an earlier proposal no FP/RAJ/MIN/125714/2021 including an area of 398.0085 ha for which Stage-II approval has been issued by the Central Governemnt. The reasons/justification for submitting the proposals in piecemeal may therefore be submitted.  11.03.2022 को जारी की गई। यदि उक्त वन खण्ड का मिर्चिष्य में अवैध खनन गतिविधियों को नियंत्रित करना असम्भव होगा। इसिलए राज्य सरकार द्वारा शेष क्षेत्र 248. 5515 हैक्टेयर का प्रत्यावर्तन करने का निर्णय लिया गया है।
