Ref: Letter No. FG.27/FCA/Assam PWD/Sonitpur East Divn. dated 30/09/2021

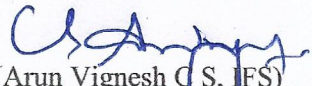

Sir,

With respect to the subject cited above, I have the honour to inform you that a joint verification of the proposed diversion of 43.47 ha of forest land for Improvement and upgradation of Ghagaarabati to Hawaajan Road under Asom Mala was carried out along with the authorities from APWD.

In this regard, I would like to submit that as per the Survey of India Toposheet, the proposed RoW reaches upto the river which forms the eastern boundary of Gohpur Reserve Forest. However, on field the proposed RoW meets the river at location 26.966894 N, 93.724753 E. From this point, the proposed RoW crosses the river and extends further about 700 m.

This is for favour of your kind information and necessary action.
