To,

The Divisional Forest Officer,
Dalhousie Forest Division,
Dalhousie, District Chamba

Date 13-4-2021

Subject: Diversion of 1.9221 ha. of forest land in favour of District Youth Services & Sports, Himachal Pradesh for the construction of Sport Stadium at Chowari, District Chamba within the jurisdiction of Dalhousie Forest Division District Chamba, HP (Online Proposal No. FP/HP/Others/22292/2016).

Dear Sir,

Kindly refer to the EDS raised by MoEFCC, Regional Office, Dehradun vide letter No. 8B/HP/09/103/2017/F.C./47 dated 29.10.2020 on the subject cited above. In this regard we hereby submit our point wise reply against the observation raised as under:-

1)a) In this regard it is submitted that there is no change in the proposal in terms of scope and purpose. The Government of Himachal Pradesh and Department of youth, service and sports have proposed to construct this sports stadium at Chowari in District Chamba (HP) to promote youth service and sports in locality of Chowari, District Chamba so that the youth of Chowari and surroundings area may get sports facility locally at doorstep and may get a chance to build up their career in sports. Since Chowari and its surroundings area is very remote and rural & sports facility for youth and children in this present scenario is utmost requirement for their physical, mental and professional development in this competitive nation. In view of above diversion of forest land 1.9221 Ha. in Makolsu UPF bearing Khasra No. 840/742/681/1 was sought for construction of sports stadium of Chowari District Chamba (HP)

b) The delay in providing the information is highly regretted as procurement of NOCs and certificates from different Departments/ Panchayat and Administration has took some time. Moreover Covid 19 outbreak also hampered budgetary provision and availability of funds and proposal got delayed. Now funds are also available with the user agency for this project.

Further, all the required information sought by processing agencies at difficult levels including Regional centre MoEF Shimla made available and now State Government is very keen to have the proposal of the diversion of forest land for construction of Sports Stadium got approved and this project be completed well on time. It is therefore requested to reconsider the proposal and approval may please be given at the earliest please.

2) This point pertains to DFO Dalhousie and needful has been done.

3) All efforts have been made to avoid/minimize the felling of trees. There is no other alternate to avoid felling of trees. Only 9 trees of B/L species of class IV & V enumerated need to fell to construct this sports stadium. (List attached).

Therefore we request you to kindly reconsider our proposal for diversion of 1.9221 ha. Forest land for the construction of the above cited project.

Aliman

Distt. Youth Services & Sports Officer,
Chamba, Distt. Chamba H.P.
