A photograph of a steep, rocky hillside. The slope is covered with patches of green grass and moss, interspersed with dark, jagged rock formations. A narrow dirt path runs vertically along the left side of the frame. The lighting is bright, creating high contrast between the sunlit areas and the shadows in the crevices. In the bottom left corner, there is a white text box containing location and time data. In the bottom right corner, there is a red watermark.

A photograph of a forest clearing. In the foreground, a large, weathered tree stump stands on a patch of dry, yellowish-brown grass and low green shrubs. The ground is uneven, with some rocks and small plants. In the background, a dense forest of tall, thin evergreen trees rises up a hillside. The lighting is bright, suggesting a sunny day. The overall scene is a natural, somewhat desolate landscape.

A photograph of a grassy hillside. The foreground and middle ground are covered in green grass with several small, dark, leafless shrubs scattered across the slope. In the upper left, there are larger trees with green foliage. The lighting is bright, suggesting a sunny day. A semi-transparent grey box in the bottom left corner contains location and time data. A red watermark is in the bottom right corner.
