Sub: Regarding point wise reply against details sought in respect of 11.11 Ha Stage-I FC of North Urimari Railway Siding.

Ref: Letter No. 703 dated 12.04.2023 by DFO Ramgarh.

Dear Sir,

In reference to the aforementioned letter, the clarification related vide letter no. FP/JH/OTHERS/34881/2018/955 dated 01.03.2023 of IRO, MoEF&CC, Ranchi is mentioned below:

S. No.	Condition	Compliance
1.	The proposal involves violation over GMJJ land which is not under jurisdiction or management/ownership of state forest department. Revenue department of Jharkhand has jurisdiction over such land, however, JJ land falls under deemed forest category. Therefore, either such violation be compounded appropriately by state government before forwarding the proposal to central government or should clearly specify the penal provisions to be undertaken along with recommendation of the department having jurisdiction on the land.	In the forest clearance proposal regarding diversion of 11.11 ha forest land in favour of CCL for construction of North Urimari Siding, 2.84 ha land lies in Ramgarh district. The said GMJJ land (2.84 ha) under violation is a part of leasehold area (664.40 ha) of Sayal D Project which was acquired by Central Government under CBA Act 1957. As per sub-section 1 of section 11 of CBA Act 1957 as quoted below: “11. Power of Central Government to direct vesting of land or rights in a Government Company —(1) Notwithstanding anything contained in section 10, the Central Government may, if it is satisfied that a Government company is willing to comply, or has complied, with such terms and conditions as the Central Government may think fit to impose, direct, by order in writing, that the land or the rights in or over the land, as the case may be, shall, instead of vesting in the Central Government under section 10 or continuing to so vest, vest in the Government company either on the date of publication of the declaration or on such other date as may be specified in the direction”. The said GMJJ land was vested to Government Company (CCL) as per notification published in part II section 3 sub-section (ii) of the gazette of India dated 10.01.1959, 13.02.1965 and 24.03.1965. Hence, rights

over such land vests in CCL after the said notification.

Honourable Supreme court issued a verdict about GMJJ land in T.N Godavarman Thirumulkhpad Vs Union of India and others on 12.12.1996, in which it declared GMJJ land to be deemed forest land. Violation was recorded in GMJJ land in the year 2018 in the inspection of the then DFO Ramgarh. However, till then there was no Act/guideline enumerating the penal provisions of state government over GMJJ land acquired under CBA Act 1957. Hence, the penal provisions against violation over GMJJ land lied only in the Forest Conservation Act 1980.

On 17.12.2019, a letter was issued by Joint secretary, government of Jharkhand vide letter no. पत्रांक-5/संभूविधि-250/2018 4908(5)/रांझारखण्ड सरकार to DC of every district, in which it was directed that the Government company must pay 80% of the value of acquired GMJJ land under CBA act 1957, to the State Government. Subsequently, a letter was issued by Joint Secretary, Ministry of Coal vide letter no. D.O.No 43025/1/2019-LAIR dated 04.06.2020 regarding payment to be made by CCL to the state government against such acquired land. After receiving demand note for the said GMJJ land by state officials, payment was done by CCL to the state government on 30.09.2021. Intimation regarding the same was sent to the concerned DC on 04.01.2021 vide letter no. GM-BS/S.O(P&P)/2021/582. Hence, as per details mentioned above no penal provisions stand against CCL from the Revenue Department, Govt. of Jharkhand.

Also, as per section 25 of CBA Act 1957, as quoted below:

"25. Protection of action taken in good faith-(1) No suit, prosecution or other legal proceeding shall lie against the Central Government or any person for anything which is in good faith done or intended to be done in pursuance of this Act or any rule or order made thereunder.

(2) No suit or other legal proceeding shall lie against the Central Government or the competent authority or any other person for any damage caused or likely to be caused by anything which is in good faith done or intended to be done in pursuance of this Act or any rule or order made thereunder".

In the absence of any Act/guideline from the State Government at the time of violation, the actions of CCL may be considered to be done in good faith. Thus, Penal provisions from Revenue Department, Govt. of Jharkhand, should not stand against CCL.

2.	The committee opined that a detailed report may be submitted by the State Forest Department regarding the extant proposal.	Since, at the time of violation in 2018 there was no Act/guideline enumerating the penal provisions of State Government in respect of violation over GMJJ land acquired under CBA Act 1957, and after issuance of directive of State Government in 2019, the required payment against such GMJJ land has been done by CCL. No penal provisions stand against CCL from State Government. Only, the necessary provisions of Forest Conservation act 1980 applies to the said GMJJ land. Hence, the penal provisions under Forest Conservation Act 1980, i.e. 5 times NPV and 10 times CA land, against the said violation is appropriate.																					
3.	As recommended by SFD, the penal CA DFL area should have been 10 times of the area involved in the proposal, while the current submitted area for CA is only 22.44 ha.	The penal CA DFL area has been identified by DFO, Hazaribagh (W) for 111.10 Ha which is 10 times of the forest land involved in the proposal. Also, it has been asked to submit Geo-reference Map, Toposheet Map, KML, CA Land Suitability Certificate, CA estimate and undertaking regarding payment related to penal CA in respect of 11.11 Ha Stage -I FC of Forest land in favour of North Urimari Railway Siding.
