as per format enclosed at Annex-I shall be installed at the buffer strip in front of retail outlet.

- (iv) For drainage, RCC slab culvert with minimum span of 2m shall be provided as per IRC: SP: 13-2004 - "Guidelines for the design of small bridges and culverts". The slab culvert shall be constructed with iron grating of adequate strength in the approaches for drainage of surface water. It must be ensured that outfall of above said culverts shall be led away to a natural course/outfall sewer through culvert or led away to a water-recharging system specifically constructed by the owner/management of the fuel station/facility in case lined drains of sufficient length upto a natural course/outfall sewer are not available.
  - (v) The applicant shall ensure the video recordings (before and after completion of construction work) of the site and that the work is done as per approved drawings.
  - (vi) The approval is based on the submissions made by the Applicant as verified by the PD-Kanpur. The Applicant is responsible for the details provided in the application. The NHAI is at liberty to verify the authenticity of the documents at any time. Any misrepresentations, omission or suppression of facts or disclosure of incomplete facts detected at any stage shall lead to withdrawal of this approval with cost to the applicant.
  - (vii) Any unauthorized access from the National Highway shall be cut-off and necessary action be taken as per Ministry's guidelines.
3. The provisional NOC, however, shall be subject to the stipulations of the Ministry's Circular issued vide letter No. RW-NH-33032/01/2017-S&R(R) dated 26.06.2020.
  4. The Oil Company may construct the access to the proposed retail outlet, as per approved drawings at their own cost within one (01) year of the issue of this Provisional NOC. After the construction as per approved drawings and the certification by the Project Director, PIU-Kanpur that the construction work has been carried out in compliance with the provisions approved, the issue of final formal permission including issuance of signed license deed may be considered as per latest Ministry's guidelines. In case the construction is not done in one year of the issue of this provisional NOC, the same shall be deemed to be cancelled, unless renewed by the Competent Authority. The concerned Oil Company would be allowed to energize the fuel station only after the final approval by the Competent Authority.
  5. The fresh License deed (duly indicating new NH No. along with chainage), in two originals duly certified by PD, PIU-Kanpur, as per the standard format given in Ministry's Circular, drawn on new stamp paper and duly signed by Authorized Signatory may be furnished at the time of issuance of final permission along with additional/difference License fee, if any.
