Madam,

With the support of HP Forest Department, the approval for diversion of forest land for LHEP stage-I Project has been accorded by MoEF&CC, New Delhi vide letter No. F.No.8-48/2018-FC, dated 28/03/2019. In this context, it is to submit that Project requires a 1.90Km long, 5/7m wide approach road to Moin quarry and transportation during construction of major components of Project i.e. diversion tunnel, Dam, Power House, tail race channel etc.

In view of above, **0.9486 ha** of forest land has been identified for this road in revenue village Nither, Gram Panchayat & sub-tehsil Nither, under Forest Division Anni at Luhri, District Kullu (H.P.). Hence it is requested to divert the additional forest land (**0.9486 ha**) in favour of SJVN for the above cited project.

It is worthwhile to mention here that this project is of **National interest** to fulfil the increasing demand of electricity with tremendous opportunities for **generation of employment** as well as **development** of the local area.

With Regards,

Yours Faithfully,
