

Reference Item in Form-A	Quarries raised by Forest Department	Clarification by Ramgad Minerals & Mining limited
A-1 (ii) Name of Project for which forest land is required.	The Text "GR Halli WIND PROJECT OF M/s. RAMGAD & MINING LIMITED" is given. Please provide a more complete name for the project so as to identify the proposal distinctly from other proposals during processing under FC Act. Example: 'Ex-post facto approval for already established one Wind Mill of 0.95 MW Wind Power Project of RMM Limited of Guddadarangavannahalli, Kasaba Hobli, Chitradurga Taluk & District'	Project name has been changed as below. "Approval for already established 1 Windmill of total 0.95 MW Wind Power Project of Ramgad Minerals & Mining Limited in Guddadarangavvanahalli village Sy no. 97 & 98, Kasaba Hobli, Chitradurga Taluk and District".
A-1 (vii) Area of forest land proposed for diversion (in ha) A-1(ix) Non-forest land required for this project (in ha)	Forest and non-forest land requirement for the project is shown as '2.63 ha' and '0 ha', respectively. However, the map uploaded in Item C shows that part of the project is established in non-forest land as well. Please ensure that the forest as well as non-forest land involved in this already established project is shown correctly in this Item as well in other relevant Items.	Total forest land involved in this project is 2.63 Ha. Involved revenue (NON-Forest land) has been considered in project of MSPL Limited File no. Fp/ka/wind/38582/2019 we have shown forest and revenue lands separately in all relevant drawings.
A-1 (x) Total period for which the forest land is proposed to be diverted (in years)	'NIL' is mentioned. Please specify the period in years for which the forest lease is sought.	30 Year from the date of approval.
A-3 (i) to (v) Details of Person Making Application A-3 (xvii) Copy of documents in support of the competence/ authority of the person making this application to make application on behalf of the User Agency	The Applicant in Item A-3 (i) to (v) is different from the one authorized in Item A-3 (xvii). Please ensure that the 'Applicant' in Item A-3 (i) to (v) is duly authorized in Item A-3(xvii)	Authorization has been issued in the name of applicant and the same has been uploaded.
B-2.3 Village wise breakup	Only 2.63 ha of forest land in GUDDADARANGAVVANAHALI – SURVEY No.97 is given. However, the Map uploaded in Item C suggests that the project might involve forest/ non-forest land in Guddadarangavvanahalli village Survey No.97 & 98 as well as adjoining Madanakkanahalli village survey number(s). Please verify this issue and provide individual survey number wise break up of forest as well as non-forest land here.	Entire project is shown in all the drawings. All non-forest land is considered in the name of MSPL Limited application(File no. FP/KA/WIND/38582/2019 (RMML Group Company).
C(ii)(b) Kml file of proposed land	A large number of KML polygons of different Project components/segments are uploaded, but identifiable File name are not give.	1. All KML File/ Sub-file (with inbuilt measurement' option) has given a unique File name to distinguish from

	<ol style="list-style-type: none"> 1. Please ensure that each KML File/ Sub-file (<i>with inbuilt 'measurement' option</i>) is given a <u>unique File name</u> to distinguish from other KML files and matching with the name of components mentioned in Item B-2.4. 2. Please also ensure that the KML polygon extent matches exactly with GPS readings. 	<p>other KML files.</p> <ol style="list-style-type: none"> 2. We ensure that all KML/ KML polygon extent matches correctly with given GPS coordinate.
C(iii) Copy of Survey of India Topo sheet indicating boundary of forest land proposed to be diverted	<p>Topo Map is not signed by User Agency. Further, the GPS readings of Project Components are not given in Degree. decimals. Please ensure the following.</p> <ol style="list-style-type: none"> 1. The Topo Map is duly ink-signed by User Agency. 2. All GPS readings are with Datum: WGS 84 and Degree.decimals. 	<ol style="list-style-type: none"> 1. The Topo Map and other drawing have been duly ink-signed. 2. All GPG readings are given Degree. decimals.
C(iv) Scanned copy of the Geo-referenced map of the forest land proposed to be diverted prepared by using GPS or Total Station.	<ul style="list-style-type: none"> • Geo-referenced map is not signed by User Agency. • GPS readings of Project components are not given in Degree.decimals. • Satellite imagery shows that <u>entire Project details are not shown on the Map</u>. Only the Project Components in forest land in GUDDADARANGAVVANHALLI – SURVEY No.97 are shown. But the Project Components in adjoining part of the Sy. No.97 & 98 as well as adjoining Madankkanahalli village survey number(s) are not shown. <ol style="list-style-type: none"> 1. Please upload the individual Geo-referenced maps (one map for each village involving forest diversion) showing the project components on respective individual Cadastral (Village) Maps/Tiff Village Maps. 2. All individual Geo-referenced maps can be then merged into a single PDF file for uploading here. 3. The mosaic of all individual maps, which is presently uploaded in this Item may either be uploaded here along with other individual Geo-referenced maps or in 'Additional Information Details' Item. 4. Please ensure that all survey numbers and their boundaries in and around the project areas are clearly shown on each map. 5. Please also ensure that the Map is duly ink-signed by User Agency and has a proper Map Index. 6. Please provide correct GPS readings 	<ol style="list-style-type: none"> 1. Entire project is located under only one village comes under forest area. Geo-referenced map uploaded. 2. Not applicable. 3. Not applicable. 4. Concerned Sy. Nos. are clearly shown in maps. 5. All Maps and relevant drawings and documents has been duly signed by ink and uploaded. 6. All GPS reading are given in Degree. decimals.

 District Survey Officer, Hospet

	(WG584; Degree. decimals) of all corners of proposed area on the Geo-referenced map itself.	
L. Details of Land identified for Compensatory Afforestation	<ul style="list-style-type: none"> As per the document uploaded in item L(iv) (f), the User Agency has identified non-forest CA land at Belagavi Dist, Khanapur taluk, Amagaov village Sy. No.6/5 to an extent of 43.17 acres, out of which it intends to hand over non-forest land in sy. No6/5 extent 6.50 Acres towards present Project. The land handover formalities are under process and that it will hand over land to forest department at earliest. It is noticed that same survey number has been identified for CA purpose in respect of a number of FC proposals of the same User Agency. Unsigned maps are uploaded in Item L(iv) and (v) <ol style="list-style-type: none"> Please ensure that all maps are duly signed by User Agency. Please upload additional Geo-referenced maps showing the CA lands as sought in Additional Information Details. Please note that <u>transfer of proposed CA land is required to be done only after Stage-1 approval.</u> 	<ol style="list-style-type: none"> All Maps and relevant drawings and documents have been duly signed by ink pen. Additional Geo-referenced maps of CA lands as sought in Additional Information Details have been uploaded. The CA land will be transformed to forest dept after stage-1 approval.
Additional Information Details/General	<ol style="list-style-type: none"> Please upload the following documents. <ol style="list-style-type: none"> Clarification regarding the actual wind power capacity of the project – 0.95 MW wind power capacity mentioned in Item A-1(iii) vis-à-vis 1.9 MW allotment made in favour of User Agency vide Government Order (Energy Department) dated 18-09-2003 uploaded at Sl. No.5 of Additional Information Details. A signed Geo-referenced Map on appropriate scale with proper Map Index showing entire alignment of the project running in <u>forest as well as non forest lands in two different colours</u> superimposed on Village Map. A signed Mosaic Map on appropriate scale and with proper Map Index showing <u>present Project and all other Wind Power Project in different colours.</u> If connected through Road/Transmission Line with present Project superimposed on Village Map(s). 	<ol style="list-style-type: none"> Following documents have been uploaded. Govt order has been uploaded with respect to 0.95 MW. <ol style="list-style-type: none"> Geo-referenced Map on appropriate scale and proper Map Index showing entire alignment of the project running in forest as well as non-forest lands in two different colours superimposed on Village Map and uploaded. Uploaded signed Mosaic Map on appropriate scale and proper Map Index showing present Project and all other Wind Power Projects in different colours. We will provide suitability certificate from jurisdictional Deputy Conservator of Forests Belagavi after Stage -1 Approval. Additional Geo-referenced map uploaded with respect to CA land as details given below.

	<p>d. CA land suitability certificate issued by jurisdictional Deputy Conservator of Forests keeping in view the FC Guidelines and also the Government of Karnataka Order No.FEE 88 FLL 2016 dated 31-08-2016 regarding CA lands in case of Private Party FC Proposals.</p> <p>e. Following two additional Geo-referenced maps on proposed CA Land:</p> <ol style="list-style-type: none"> Geo-referenced Map [<i>presently uploaded in item L(v)</i>] showing the <u>CA land proposed by the User Agency in all other different FC proposals in Sy. No.6/5 of Amagaov village, Khanapur Taluk, Belagavi District in Additional Information Details along with GPS readings (Datum: WGS 84: in Degree. decimals) of all corners points of these proposals.</u> Geo-referenced Map showing the Sy. No. 6 on Village Map scale, i.e., showing all other adjoining survey numbers and their boundaries fully. [<i>Note : Shape of Sy No.6 in presently uploaded map does not match with the Village Map</i>] GPS readings (Datum: WGS 84: in Degree.decimals) of <u>all corners and at every 20 meter interval on boundary of forest land proposed for diversion.</u> [<i>Note: After Stage-1 approval RCC pillars will have to be provided at all these GPS points. However, temporary stone pillars are sufficient for field verification at present</i>] <p>f. Clarification on official letterhead under seal and signature (with date) of User Agency regarding the <u>actual period (month and year) of commencement</u> of work of establishing the project. Please provide the following information through email to gis3ictc@aranya.gov.in marking copy to rfo3_ictc@aranya.gov.in and apccffc@gmail.com.</p> <ol style="list-style-type: none"> Auto CAD drawing (in the form of 'Polygons' and with Datum: WGS 	<ol style="list-style-type: none"> Geo-referenced map for proposed CA land GPS reading shown in Degree. decimals for all corner points. Geo-referenced Map showing the Sy. No.6 is matching with Village Map and Map has been uploaded. GPS reading in Degree. decimals for all corners and in every 20 Mtrs intervals marked with temporary stones. <p>e. Official letter has been uploaded with details of mentioning that the project start-date.</p> <ol style="list-style-type: none"> Documents are provided thru e-mail as desired: Auto CAD drawing (in the form of 'Polygons' and with Datum: WGS 84) of entire project alignment running in forest and non-forest land in two different colours e-mail send on dated 2nd April 2019. GPS readings (Datum: WGS 84; in Degree. decimals) of all corners and at every 20 meter interval on boundary of forest land proposed for diversion in MS Excel sheet Provided in Excel sheet. All concerned documents uploaded in English.
