

OFFICE OF THE EXECUTIVE ENGINEER PWD (R&B) DIVISION
UDHAMPUR

BRIEF NOTE

History and

Necessity:-

The Narore Kainthgali road takes off from village Narore which is connected to district headquarter at Udhampur. The length of Narore Kainthgali road is 4.050 Kms and when completed will connect the Bhamga area and landher area at least 50000 souls will be benefitted by the construction of the road. Moreover, it will shorten the distance between District Headquarter Udhampur and Kainthgali by at least 9.00 Km. a stretch of approximately 1900 Mts. In the road comes under the forest area for which the forest clearance process is under way.

Proposal:

The road will be constructed mainly by earthwork cutting, construction of R/walls, B/walls and D-xing with approaches. The excavated material of which most will be used in the construction of walls and other structure, including the sub base of the pavements. A substantial muck/excavated material disposal plan has also been framed so as to minimise the loss to ecology including fauna and flora. The road will be eco-friendly as most of the excavated material will be used in the construction of the said road.
