Undertaking for Non-Availability of Same Minerals/Ore On Non-Forest land

This is submitted that the land for Stone Crusher has been allotted before enactment of FCA Act, 1980 in the name of M/s Bushahr Laghu Udyog by the State Govt. Since then the stone crusher was operational till 2014 and FCA was accorded in the year 2006 for a period of 15 Years. Further, there is no non-forest land available for the said project as the said area is big producer of Agriculture and Horticulture produce and most of the people are dependant on their land holding for their livelihood. Moreover, there is non-availability of the same material/ore within the nearby non-forest area from the existing stone crusher and mining lease area. Hence, the project cannot be shifted elsewhere.
