Subject:- **Diversion of 10.7352 ha of forest land in favour of HPPWD for the construction of Kanda Lot to Murala road Kms 0/00 to 17/260 within the jurisdiction of Nachan Forest Division Distt.Mandi, HP.**

Memo:-

Kindly refer to your office letter No.FCA/(Nachan)/3942 dated 29.7.2021 on the subject cited above.

2. The proposal received has been found incomplete. The following shortcoming has been noticed in the proposal which is to be completed. Proposal folders received are returned herewith. All the requisite documents may please be placed in the proposal folder with proper numbering and index.
1. Estimated cost of the proposed project mentioned against column No.A-1(vii) does not seem correct and is likely to be reviewed and corrected. As for 17.260 Kms road, the estimated cost 6.5 lac has been mentioned.
2. The KML file of the proposed road has showing the villages to be benefitted and dumping sites has been marked on Google earth but as per latest GoI instructions in the earlier submitted proposals, the villages to be benefitted from the proposed road, dumping sites and alternate alignments are also required to be marked on KML file.
3. The separate enumeration lists of the trees coming in the dumping sites of the proposed road are also required to be given and placed in the proposal folder.
4. The scientific names of all the trees have not been mentioned against column No.4(ii) in online part-II. In online part-II, for some of the trees involved 'Others' has been mentioned. If the scientific name of all the trees involved is not appearing in the module, the scientific names of all the trees should be mentioned within brackets against the column of local name of the trees.
5. Against column No.8(iii) whether the forest land proposed for diversion is located within eco-sensitive zone(ESZ) of the Protected Area notified under Wildlife(Protection) Act,1972 (Note: In case, ESZ of a Protected Area is not notified, then, 10kms distance from boundary of the Protected Area should be treated as ESZ): Yes has been mentioned whereas the Distance from Shikaridevi Wildlife Sanctuary and Eco sensitive zones has been shown as 2.5 km. It is clear that the proposed forest land is out side the boundary of protected area. Hence, 'No', is required to be mentioned against this column.
6. Penal NPV has not been found placed in the proposal folder.
7. CA scheme has although been placed in the proposal folder and uploaded in online part-II which is not on current wage rates. Further, CA has been proposed over 20.7148 ha of forest land but the area to be afforested(in ha) including maintenance cost upto 10 years 10.3574 ha instead of 20.7148ha.

PTO

8. Density of vegetation of proposed CA area is required to be specified in CA site suitability certificate.
9. There is difference in district profile mentioned in online part-II and hard copy of part-II. Necessary corrections required to be made.
10. No date has been mentioned for signing the hard copy of part-I.
11. All the photocopies placed in the proposal folder are required to be attested.
