

Full Title of the Project: Construction of road from Towara to Dodla.  
File No.: FP/JK/ROAD/149047/2021  
Date of Proposal: 17-11-2021

### Area Calculation Sheet

Calculation of Area (length & width) for Forest Land coming under road from Towara to Dodla, Distt. Kathua (UT J&K)

#### A. Forest Area Details

| S. No. | Description of Item                  |                                                       |
|--------|--------------------------------------|-------------------------------------------------------|
| 1      | Total Length of the Road             | 3500 mtr                                              |
| 2      | Length in Forest Land                | 2300 mtr                                              |
| 3      | Proposed Width                       | 06 mtr                                                |
| 4      | Area of Forest Land involved in Road | $2300 \times 06 = 13800 \text{ Sq mtr}$<br>or 1.38 Ha |

#### B. Dumping Area Details

| S.No. | Dumping Site | Dimension (m) | Area (sq. m) |
|-------|--------------|---------------|--------------|
| 1     |              | --nil--       |              |
|       | Total        |               | 0.00 HA      |

#### Total Forest Area Proposed for Diversion :

|    |                     |         |
|----|---------------------|---------|
| A. | Under Forest Area   | 1.38 Ha |
| B  | Under Dumping Sites | 0.00 Ha |
|    | Total Area          | 1.38 Ha |

Hence Total Area Required including Dumping Sites : 1.38 HA
