RESOLUTION

Read:

1. D. O. No-30-166-14/2016-BB-USOF dated 25.09.2017 from the Secretary, Department of Telecommunications, Ministry of Communication Government of India.
2. This department resolution no- NOF/102012/1085/IT/Part-II dated 18.10.2017 for Exemption of Processing Fee and Registration Fee, ROW for the Implementation of BharatNet Phase-II Project.
3. Minutes of the Meeting of 1st State Level Implementation Committee held on 11.01.2018 for the Implementation of BharatNet Phase-II Project of the State.

PREAMBLE:

Under the Government of India's ambitious Digital India Mission, one important pillar is creation of broadband highways connecting all the villages. At village level, youth will be able to contribute in the connected ecosystem, undertake enterprises in the ICT domain, provide services to all over the virtual network. The Government of India in Department of Telecommunications, Bharat Broad Band Network Limited has approved Rs. 1688.53 /- cr. for implementation of BharatNet Phase-II in 7452 Gram Panchayats of the State.

2. The Memorandum of Understanding (MoU) among the four parties namely, USOF, Department of Telecommunications, Government of India, BBNL, the Government of Gujarat and the Gujarat Fibre Grid Network Limited, has been signed on 27-12-2017. Phase-II of the project, will be completed by March-2019. An SPV – Gujarat Fibre Grid Network Limited (GFGNL) will execute the project.

3. As per the letter dated 25.09.2017 of Government of India, 1st meeting of State Level Implementation Committee was held on 11.01.2018 under the Chairmanship of Hon. Chief Secretary for the Implementation of BharatNet Phase-II project of the State. In the meeting, it was emphasised that obtaining timely RoW permissions is very essential factor for speedy ground work during the implementation phase. Although, PIA's (Project Implementation Agency) will be responsible for RoW but GFGNL will have to handhold the PIA's and de-block hindrances in RoW permissions. The 'ease of doing' in RoW and a regular review mechanism is required to be put-in-place to avoid avoidable delays. It was proposed to form two tier structure (State level and District level) for timely resolution of issues in the Project pertaining to RoW.
4. The State Government, vide its GR dated 18.10.2017 has already waived all charges in relation to RoW approval for laying OFC in Phase- II of the Project. Nonetheless, the alignment where the OFC trenching is carried out, still requires coordination with relevant authorities.

Resolution: -

After careful consideration, the State Government has decided to form State Level Committee and District Level Committee for timely resolution of issues pertaining to RoW for the Implementation of BharatNet Phase-II Project.
