

Site Suitability Certificate for Non-Forest Land

The Roads and Buildings department has identified 24.410 Ha of Non-Forest land in Sy.No.631 of Usirlagudem (V) of Aswaraopeta(M) for the purpose of Compensatory Afforestation in lieu of forest lands proposed for diversion for construction of (6) Nos.BT roads in Bhadradi Kothagudem District. Accordingly, the area has been inspected by the Forest Divisional Officer, Paloncha along with concerned Forest Range Officer, Dammapeta on 13.01.2022. The details of the Non-Forest land for CA area as shown below.

Sl. No.	Mandal	Village	Sy.No.	Area in Ha
1	Aswaraopeta	Usirlagudem	631	24.410

The Non-Forest CA land is hillock and covered with tree growth and it is not possible to take up plantation in the said area. To protect the CA lands from biotic inference and encroachments, chain-link fencing and engaging a watcher is proposed. For improvement of existing Forest growth activities Soil & Moisture conservation works and formation of Water harvesting structures shall be taken up to gain the impact of such structures over the vegetation growth in the proposed area. The land is free from all sorts of encumbrances and encroachments. A detailed CA scheme prepared and enclosed

To meet the requirement of planting minimum 1000 plants/ ha, raising of plantation in 25 Ha of degraded forest land has been proposed.
