

## Annexure-2

### MONITORING OF THE ACTION ON STIPULATED CONDITIONS IN CASE OF PROPOSALS APPROVED BY THE GOVERNMENT OF INDIA UNDER SECTION-2 OF THE FOREST (CONSERVATION) ACT 1980

#### PART -I (General Particulars)

1.	Name of the Proposal	Diversion of 0.90 Ha. in Ramavaram RF for installation of submersible pumps, approach road, transmission line & water pipe lines at Padmavathi Khani in favour of M/s.Singareni Collieries Company Ltd..
2.	Number and date of GOI's letter according permission	8-277/85-FC, dt.18.8.2008.
3.	Area permitted to be diverted	0.90 Ha.
4.	District & Forest Division	Bhadradi Kothagudem District (Erstwhile Khammam District) & Kothagudem Division
5.	Area Actually diverted	0.90 Ha.
6.	Date of Monitoring	

#### PART-II (Details of Compensatory Afforestation)

1.a	Compensatory Afforestation stipulated in Forest land	Since diversion is less than 1.0 Ha., 10 times of the trees to be felled to be afforested in degraded forest land.
1.b	Compensatory Afforestation stipulated in Non-Forest land	-No-
2.	Location of Area	-
3.	Whether the CA land is notified or not. If no, The steps taken to declare it as PF/RF	Not applicable.
4.	Amount asked for raising CA	Rs.6.57 lakhs
5.	Whether the Afforestation cost was paid by the UA?	Yes.
6.	If yes, the amount paid	Rs.6.57 lakhs
7.	Details of Plantation raised: a. Species planted Areas in Ha /year/ Expenditure b. If CA plantation not made, reasons for the lapse c. Condition of the plantation	Plantation was taken up in Compartment No.52 of Yellandu RF in an area of 9.03 Ha. in 2011-12 and subsequent maintenance works were taken up under C.A. scheme during 2012-13.
8.	Remarks: It should be mentioned that the plantations are identifiable as specially related to the project.	

**PART-III****(Planting of dwarf trees in cases of transmission line)**

1.	Number of trees planted	-NA-
2.	Year of plantation	
3.	Expenditure	
4.	Present condition of plantation	

**PART-IV****( Reclamation of the area worked under mining/quarrying)**

1.	Mining/quarrying work completed	Area was diverted for installation of submersible pumps, approach road & transmission line.
2.	Reclamation work done	Diverted area is being used for the above mentioned purposes and the use is continuing. Hence, reclamation will be taken up after completion of the mining.
3.	Present condition of the area worked/reclaimed	Diverted area is being used for the purpose for which it was diverted.

**PART-V****(Conditions stipulated by the Government of India other than mentioned above)**

Sl. No	Condition	Status
1.	The Legal status of forest land shall remain unchanged.	The legal status of the land is Reserve Forest.
2.	(a) The User Agency shall plant ten times more trees than likely to be felled.  (b) User Agency shall raise and maintain the enrichment plantation in 0.90Ha in adjoining forest area if density is lesser than 0.4 and protect it till life of the	Total 361 trees were affected for installation of Submersible Pumps, road & water pipeline in the area of 0.90 Ha as per condition No.2(a) of GOI, The User Agency shall plant 10 times more trees than likely to be felled but 15050 number of saplings were planted in Compartment No.52 of Yellandu Range Forest as per CA scheme proposals.  The User Agency has paid an amount of Rupees 6.57 Lakhs towards cost of CA scheme (10 times of trees likely to be felled) as per the demand of

	project.	Forest Dept., An area of 9.03 Ha plantation was raised during the year 2011-12, in Compartment No.52, Yellandu RF of Yellandu Range & subsequent maintenance works were taken up under CA scheme during 2012-13.
3.	The period of diversion under this approval shall be ten (10) years subject to possession of valid lease by the User Agency under the MM DR Act, 1957 so that it shall be Co-terminus.	The period of diversion will be 10 years for which now renewal is requested for 20 years.
4.	Any tree felling shall be done only when it is absolutely necessary and unavoidable.	Since the sanctioned forest land is for installation of submersible pumps, approach road, transmission lines etc., the trees were cleared by Forest Department and handed over to SCCL.
5.	No damage to the flora and fauna of the area shall be caused.	SCCL has not caused any damage to flora and fauna. On the other hand, plantation was raised in about 400 Ha. in adjacent areas within 5 KMs. Hence, there is improvement in flora and fauna.
6.	It shall be ensured that no labour camps are set up inside the forest area.	No labour camps are set up inside the forest area.
7.	The mining lease area shall be demarcated on ground at the project cost, using four feet high RCC pillars with each pillar inscribed with the serial number, forward and backward bearings and distance between two adjacent pillars.	The area has been demarcated with RCC pillars 22 Nos. of 4 feet height.
8.	The Forest land shall not be used for any purpose other than that specified in the proposal.	The Forest land is being used for the purpose for which it was diverted.

9.	Any other condition that the CCF(Central), Regional Office, Bangalore/ State Government may impose from time to time for protection and improvement of flora and fauna in the forest area, shall also be applicable.	No such condition is stipulated.
----	--	----------------------------------

#### **PART-VI**

**(Conditions informed by the State Government in addition to the Government of India's conditions and other steps taken to preserve forest, wildlife land prevent soil erosion, etc.)**

Sl. No	Condition	Status
1.	The Legal status of forest land shall remain unchanged.	The legal status of the land is Reserve Forest.
2.	<p>(a) The User Agency shall plant ten times more trees than likely to be felled.</p> <p>(b) User Agency shall raise and maintain the enrichment plantation in 9 Ha in adjoining forest area if density is lesser than 0.4 and protect it till life of the project.</p>	<p>Total 361 trees were affected for installation of Submersible Pumps, road &amp; water pipeline in the area of 0.90 Ha as per condition No.2(a) of GOI, The User Agency shall plant 10 times more trees than likely to be felled but 15050 number of plants were planted in Compartment No.52 of Yellandu Range Forest as per CA scheme proposals.</p> <p>The User Agency has paid an amount of Rupees 6.57 Lakhs towards cost of CA scheme (10 times of trees likely to be felled) as per the demand of Forest Dept., An area of 9.03 Ha plantation was raised during the year 2011-12, in Compartment No.52, Yellandu RF of Yellandu Range &amp; subsequent maintenance works were taken up under CA scheme during 2012-13.</p>
3.	The period of diversion under this approval shall be ten (10) years subject to possession of valid lease by the User Agency under the MM DR Act, 1957 so that it shall be Co-terminus.	The period of diversion will be 10 years for which now renewal is requested for 20 years.

4.	Any tree felling shall be done only when it is absolutely necessary and unavoidable.	Since the sanctioned forest land is for installation of submersible pumps, approach road, transmission lines etc., the trees were cleared by Forest Department and handed over to SCCL.
5.	No damage to the flora and fauna of the area shall be caused.	SCCL has not caused any damage to flora and fauna. On the other hand, plantation was raised in about 400 Ha. in adjacent area within 5 KMs. Hence, there is improvement in flora and fauna.
6.	It shall be ensured that no labour camps are set up inside the forest area.	No labour camps are set up inside the forest area.
7.	The mining lease area shall be demarcated on ground at the project cost, using four feet high RCC pillars with each pillar inscribed with the serial number, forward and backward bearings and distance between two adjacent pillars.	The area has been demarcated with RCC pillars 22 Nos. of 4 feet height.
8.	The Forest land shall not be used for any purpose other than that specified in the proposal.	The Forest land is being used for the purpose for which it was diverted.
9.	Any other condition that the CCF(Central), Regional Office, Bangalore/ State Government may impose from time to time for protection and improvement of flora and fauna in the forest area, shall also be applicable.	No such condition is stipulated.

**PART-VII**

1.	Whether any Committee has been formed for monitoring of the action on the conditions stipulated.	-No-
2.	If no, give reasons. If yes give details of the Committee	--

**PART-VIII**

1.	Abstract reports of inspection of forest if any	
2.	Remarks of the CF/ DFO in regard to progress of the action on the stipulated conditions.	Is recommended for renewal.
3.	Effect of the project on forests and wildlife.	No adverse impact is noticed. However, planting done by SCCL in adjoining area is now improving adjoining RF area.
