

# BHUJ MUNICIPALITY

DR. JAYNT KHATRI MARG. BHUJ

S.C. Resolution No. 246

Date: 09 January, 2020

**Sub.:** To build Water Sump under the *Amrut Yojna* by demanding land of forest in *Shiv Krupa Nagar, Bhuj*.

**Ref.:** Notes of Bhuj Municipality Water supply department.

As per the above-mentioned subject, Bhuj municipality water supply department is working on the project under the name of *Amrut Yojna*. In this project, there is significant amount of population increment in the relocation site, newly developed society, and other residential areas. In the urgent need to supply water with full pressure, the municipality has decided to build a water sump in *Shiv Krupa Nagar*, near the existing sump. So that the water management of Bhuj City can be well organized and meet the drinking water demand.

In this matter, the existing water sump is located adjoining to the forest land of survey number 173/8. This adjoining land of the forest is the most suitable site for the new water storage tank. The Bhuj Municipality requires the land transfer procedure to be complete to accomplish the proposed project of the water tank for the noble work of people's interest.

So, the sum up the details mentioned here in the note, the forest land of survey number 173/8, is required to be transferred for the construction of Water Tank. To initiate and complete the process of land transfer, the standing committee, Bhuj Municipality hereby gives authority to Chief Officer of Bhuj Municipality to take the necessary action in the work of application to the Forest Department.

*2020/1/21/117*

Chairman

Standing Committee,  
Bhuj Municipality.
