C/o Danoghat Sanjha-Aara(संझा आरा) -Neri Plata road Km.0/0 to

5/360

This road construction of Danoghat Sanjha-Aara(संझा

आरा)-Neri Plata road km.0/0 to 5/360 qualifies the criteria for inclusion in NABARD.

This road bifurcates from NH-205 at RD 32/270 and passes through villages Gaddha (Patta Katli,) Ser Galotiya (Sanjha- Aara, Neri, Dyawra, Plata). This road cater to the needs of the population about 500 directly and more than 1500 souls indirectly. The influence area of this road is very rich in the production of Agriculture and Horticulture produces of wheat, maize, rice, pulses, citrus fruit, tomato etc. The annual production in this area is on large scale., which requires immediate transportation to the market as in the absence of a motorable road it is difficult to villagers to take essential commodities from their respective villages and farms to the markets especially in view of far distance shopping area and education institutes. More over for the approach of material facility the road is essentially required to join in the mainstream of the development. The road is also essentially required to provide the higher education need to the people of the Sanjha-Aara, Neri, Dewra, Plata.

This road will be life line of the area which will bring over all prosperity and development to the public in the villages being benefited considering the cost of the project/road started from NH-205 and will passed through populated villages and 3.84.23 Ha. Between different RDs in forest land.

This road is very essential and approval of transfer of land may be accorded on top priority.
