

Reference Item in Form-A	Quarries raised by Forest Department	Clarification by Ramgad Minerals & Mining limited
A-1 (vii) Area of forest land proposed for diversion (in ha) A-1(ix) Non-forest land required for this project (in ha)	Forest and non-forest land requirement for the project is shown as '2.63 ha' and '0 ha', respectively. However, the map uploaded in Itec C shows that part of the project is established in non-forest land as well. <b>Please ensure that the forest as well as non-forest land involved in this already established project is shown correctly in this Item as well in other relevant Items ( like item B-2.1, 2.2, 2.3, 2.4, Item C)</b>	Total forest land involved in this project is 2.63 Ha. There is no revenue land has been considered. All revenue land related to project has been considered in MSPL Limited - File no. Fp/ka/wind/38582/2019. Forest and Revenue lands have been shown separately in all relevant drawings submitted as part of FC application.
B-2.3 Village wise breakup	Only one survey No. viz. GUDDADARANGAVVANAHALLI SY NO 97 is mentioned. However, the information available in the application shows that part of the project is established in NON forest land as well. Further, the project appears to involve Guddadarangavvanahalli Sy No. 98 and also adjoining Madanayakanahalli village numbers. Please resolve this issue appropriately	Only one wind mill is installed in this project, which falls in the Forest land survey No. 97.
