Sir,

This is in reference to the trailing mail wherein it is mentioned that NHPC had entrusted the work of construction 1856 MW Sawalkote HE Project on River Chenab, Tanger Village, Ramban. Nhpc had entrusted the work of construction 1856 MW Sawalkote HE Project on River Chenab, Tanger Village, Ramban. While scrutinizing the forest proposal, the Ministry of MoEF&CC had raised an EDS (Essential Detail Sought), wherein, in point No iii) they have requested to submit the Ministry asked to submitted approval from State Dam Safety Authority or National Dam Safety Authority.

In this regard it is informed that **there is no statutory requirement for clearance from the NDSA or SDSO for the under-construction projects as per the provisions of the Dam Safety Act, 2021.**

भवदीया/ Regards,
