Detailed Reason For Non Forest Land Establishment of Sub Market in Ummachagi

Karnataka Agricultural Produce Market Regulation & Development) Act permits to establish Market Committees & Controls the marketing of agricultural products, it has the object of preventing the exploitation of farmers producing various agricultural product from middle persons and agents in order to see that the farmer gets the right value for their produce.

Supervising the marketing of various agricultural products produced by the farmers and to prevent the exploitation of farmers from middle person and agents in this business are the noble object of this committee.

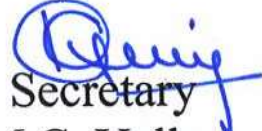

For the smooth marketing of various Agricultural Produce of farmers, Main/Yard and Sub-Yard are been functioning. The Committee is responsible to avail all the basic requirements in these yards, for this it is important that committee should have its own land. APMC Yellapur has developed Main Market Yard at Yellapur Town. It is Necessary to have Sub-Market at Village levels.

Ummachgi is Declared as the Sub-Market of APMC Yellapura. The distance between Sub-Market to Main Market is about 25Kms so local farmers face transport problem to carry their commodities to the Main Market. By acquiring the 1.4 hectore Land at Ummachgi village Agricultural Produce Market Committee Yellapur will establish Sub-Market Yard at Ummachgi Village of Yellapur Taluk. Starting Trade of notified Agricultural commodities in the Sub-Market Yard will make easy for the Farmers for selling The Agriculture Produces.

APMC Yellapur will undertake various developments at Sub-Market Ummachgi like Construction of Market platform with Online Marketing facilities, Construction of Shops, Godowns, Rayat Bhavan, Office building, with basic amenities Like Road, Guttars, Electricity, Watter Supply Garden Toilets e.t.c. which will benefit the Farmer, Trader and development of the Area.
