The attention of the Forest Divisional Officer, Nizamabad is invited to the references cited and he is informed that in response to the instructions issued to the M/s Reliance Jio Infocomm Limited i.e., User Agency vide reference 3rd cited, the User Agency has submitted **revised ETS & DGPS raw data,** for the proposed alignment and requested for verification and authentication.

On verification of data, it is noticed that the data given by the User Agency is 3.6 mts away from SOI (GCP). As there is deviation of 3.6 mts of coordinate's base, though the base station is kept over SOI (GCP), as there will be no change in extent. Further, as the points are not transferred, the data is not differentially corrected by User Agency, GIS cell processed data is taken into consideration, ignoring the coordinates submitted by User Agency. As such, the DGPS data is only verified, and the absolute location of points shall be verified by the concerned field officers only. However, the revised ETS & DGPS/GNSS Survey data received through reference 4th cited has been **accepted at this stage**.

The proxy RF boundaries depicted on topomaps are used for ascertaining the entry & exit points of alignment with RF. The division boundaries are ascertained with the help of available records. The details of extent of area are as follows:

Name of the Reserve Forest	Length (in Mts)	Width (in Mts)	Extent of Area (in ha)
1	2	3	4
Nizambad	Ammanpally	798.81	0.0320
	Amsanpally & Manchippa	2480.23	0.0992
TOTAL:		**3279.04**	**0.1312**

The maps are enclosed herewith.

The User Agency is requested to take necessary action to submit **one set of revised proposal** with full justification together with all necessary information/documents in hard copy, **for vetting by Nodal Officer for Forest (Conservation) Act.** On successful vetting, the User Agency is requested to upload the **revised proposal** in the Ministry's website i.e., **www.forestclearance.nic.in** besides submission of (8) sets of proposal with counter signature of Head of the Department in hard copy along with all required information/documents.

The Chief Engineer-III, TDWSP RWS&S Hyderabad is requested to arrange to pay an amount of **Rs.3,000/- (Rupees Three thousand only)** towards User Agency for verification and authentication of ETS & DGPS/GNSS data in the form of a demand draft drawn in favor of "Joint Secretary, CEFNARM".
