To

The Divisional Forest Officer

West Forest Division, Hazaribag

Sub: Regarding diversion of 5.6632 Ha forest land for construction of Chouparan-Chordaha line & associated LT line under RGGVY.

Ref: 1) Your letter no. 2283 dated: 02.05.2016

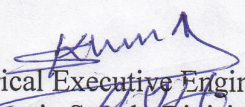

2) Proposal no. FP/JH/TRANS/17225

Dear Sir,

With reference to the above, we would like to kindly inform you that various villages of Chouparan block of Hazaribag district were also to be electrified through **RGVY** (Rajiv Gandhi Grameen Vidyutikaran Yojna), a **flagship scheme of Govt of India**. Due to involvement of forest area in many villages, forest proposal for 16.91965 Ha was submitted, which was approved vide letter no. 5JHC116/2009-BHU dated: 20.08.2010 of GOI, MOEF, Eastern Regional Office, Bhubaneswar. That also included the related villages like Chouparan, Domdande & Bigha. In the light of stage-II clearance, the work in 11 KV Chouparan- Chordaha & its associated LT lines was done during 2011-12. This line have been constructed to benefit 08 nos. of villages & BPL households with electricity. These villages have been un-electrified since long time. During execution of work of 11 KV Chouparan- Chordaha & its associated LT lines, for speedy progress of project, some work in forest area, for which prior approval was not obtained, was done unknowingly by unskilled labourers, who have no awareness of Forest Rules & Regulations.

So, you are requested to kindly consider the above circumstances sympathetically. The proposal (in 08 copies) is being hereby again re-submitted to your good office for **regularisation of 4.473 Ha & diversion of 1.1592 Ha** so that the work can be done as per conditions of Forest Act. The user agency shall be abide by any condition imposed by Govt of India for violation made during the work.

Yours faithfully

  
Electrical Executive Engineer  
Electric Supply Division  
Hazaribag
