**USAGE OF APPROACH ROAD FOR THE CONSTRUCTION AND MAINTENANCE OF JACKWELL IN NARIMOGARU RESERVE FOREST, PUTTUR RANGE, MANGALURU FOREST DIVISION.**

Honourable Sir,

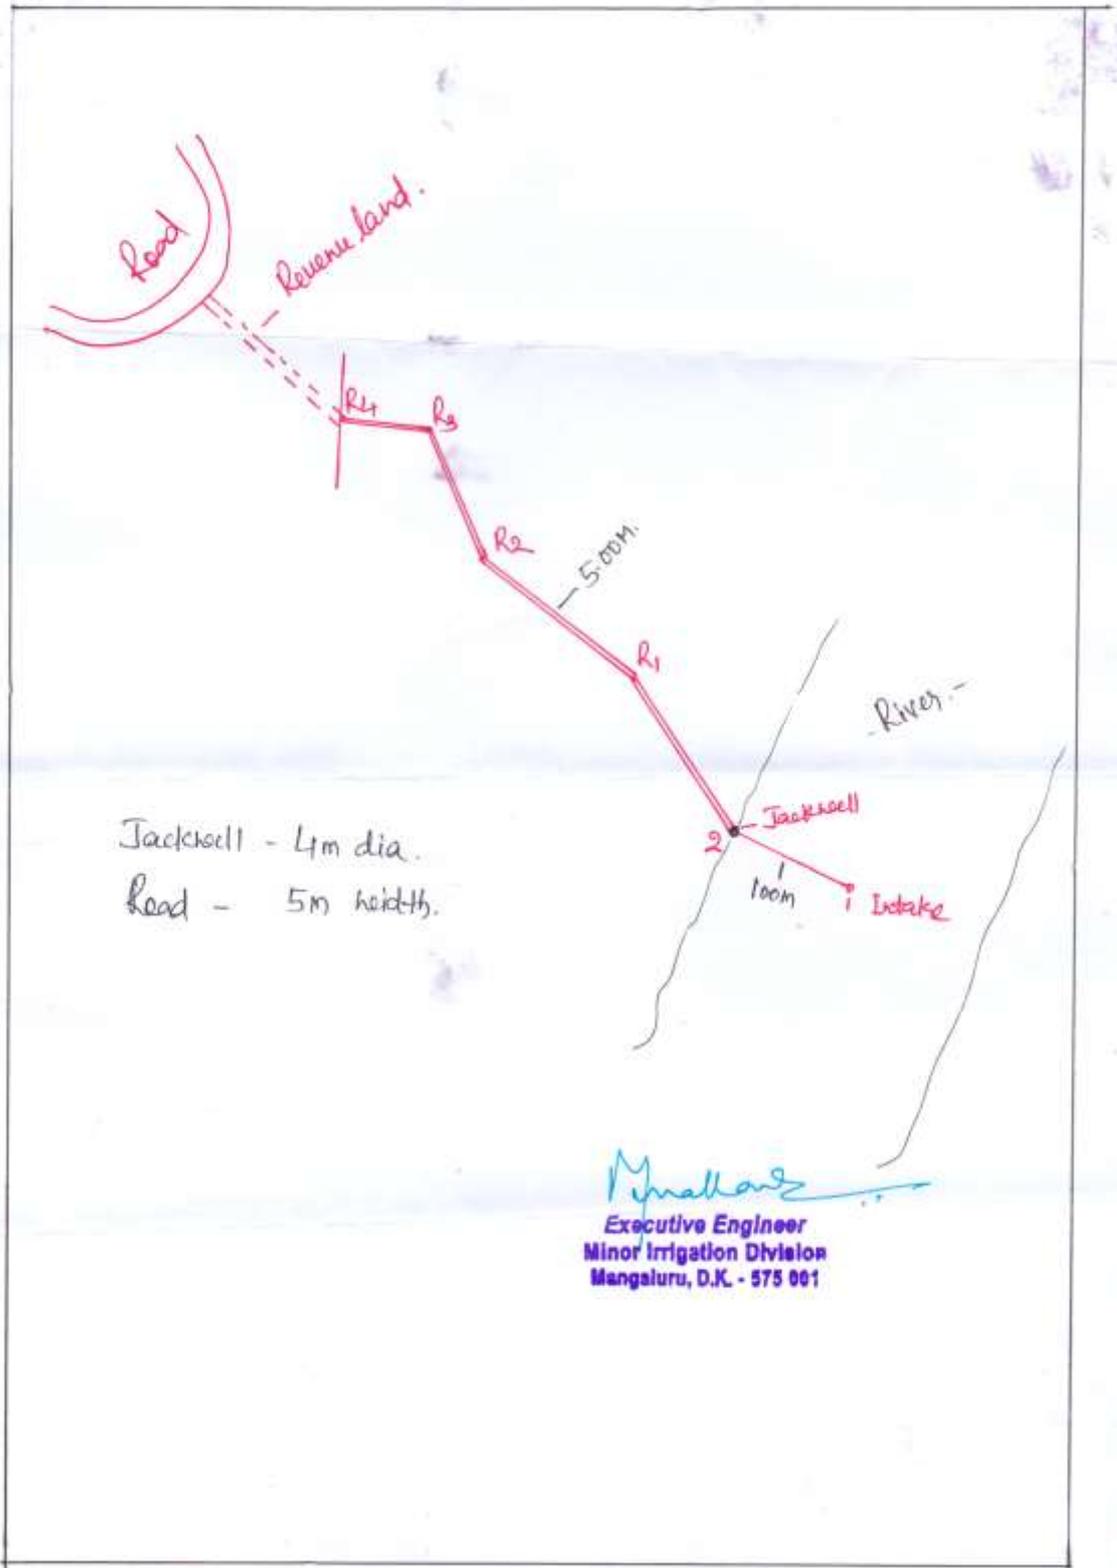

I Undersigned person applied for diversion of 0.140Ha forest land for proposed approach Road, Pipe Line & power Line passing through Narimogaru Reserve Forest Shanthigodu Village Puttur Range, Mangaluru Forest Division. We are proposed to construct 4m dia jackwell (starting point of the approach road) For the construction of jackwell its need to provide 5.00m width approach road, In future we are using this approach road only for the maintenance of jackwell.

Date- 04/05/2017

Place – Mangaluru

Yours faithfully

  
Executive Engineer  
(Executive Engineer)  
Minor Irrigation Division  
Mangaluru, D.K. - 575 001

Jackwell - 4m dia.  
Lead - 5m width.
