JUSTIFICATION FOR LOCATING THE PROJECT IN FOREST AREA

Construction of Road from Manadar to Rowara Km 5/500 to 9/500 Tehsil - Sheoganj, District- Sirohi (Rajasthan) has been examined for Social, Technical and Economical consideration and possible efforts were made to avoid the forest land by **Executive Engineer, Public Works Department, Division - Sirohi** but between the Mandar and Rowara Village continual big forest block (Hilly Area) is located, hence there is no any other feasible alternative is available to connect the both area directly to minimize the fuel and time saving of surrounded villagers.

It is further stated that the area of forest land involved for the Construction of Road from Manadar to Rowara Km 5/500 to 9/500 in Tehsil - Sheoganj, District- Sirohi (Rajasthan) is bare minimum.
