

COMPONENT WISE BRIEF NOTE

NAME OF WORK:- CONSTRUCTION OF MODEL SCHOOL AT Satyas , BLOCK Tissa IN TEHSIL Churah DISTRICT CHAMBA (H.P.)

Govt. of India has taken a decision to make Elementary Education of good quality which is, accessible and affordable to all students. The focus will not only be on universal enrolment but on quality improvement also. Keeping this policy initiative in view one such Model School at Satyas in backward block of Tissa in district Chamba is proposed to be established. The school will strive to provide quality education in an affordable manner to the students of this educationally backward area. The school will cater to the needs of a population of approx. 102900 belonging to Churah Contingency of Chamba district. The project aims to establish an infrastructure including components, the brief note/statement of proposal of which has been separately appended below:-

1. **Administrative and Teaching block (0.6818 hect.):**- In order to bring in efficiency in administrative and teaching-learning process, this component seems to be very promising.
2. **Separate Hostels for Boys/Girls (0.4900 hect.):**- To provide students with homely environment the provision of separate Hostels for boys and girls has been proposed.
3. **Play ground, Auditorium and Gymnasium (1.1300 hect.):**- In order for students' over all physical and intellectual development, amusement, recreation etc. the provision of the following facilities has been proposed:
 - i) **Play ground (0.5000 Hect.)** as a place for all outdoor activities, games etc.
 - ii) **Auditorium (0.2700 Hect.)** as a ready and equipped venue for various activities viz. cultural, co-curricular activities, seminars, symposia, other ceremonies, functions etc.
 - iii) **Gymnasium (0.3600 Hect.)** for development of physical strength and endurance amongst students.
4. **Basic Amenities (0.5882 hect.)** - The other basic amenities have also been incorporated as per following:
 - i) **Approach road and foot (0.2200 Hect.)** for the institution to be equipped with barrier free access by road as well as on foot.
 - ii) **Canteen (0.1100 Hect.)** as a place for students and staff to have small feasts during their off study hours.
 - iii) **Vehicle (Parking-1 (0.1100 Hect.) and Parking-2 (0.0800 Hect.)** for the ease of maneuvering and parking of vehicles.
 - iv) **Library cum store (0.0682 Hect.)** as a space for self study to the students and staff as well as to keep their belongings.

For this purpose 2.89 Hectares of forest land in Mohal Satyas Tehsil Churah has been identified which is required to be diverted under the provision of FCA 1980.
