

No. / 580  
H.P. Forest Department.

Dated Bharmour, the/ 18-05-2026

From: - D.C.F. Bharmour.

To: - C.F. (T) Chamba.

**Subject:** **Proposal for seeking prior approval of the Central Government under section 2 (1) (ii) of the Van (Sarankshan Evam Samvardhan) Adhiniyam, 1980 in favour of Sai Eternal Foundation (formerly known as Sai Engineering Foundation), Sai Bhawan, Sector-4, New Shimla-171009 (H.P.) for non-forestry use of 13.3082 hectares of forest land for the construction of Tundah-II Hydro Electric Project (24 MW) within the jurisdiction of Bharmour Forest Division, District Chamba in the State of Himachal Pradesh.**  
**Online Proposal No: FP/HP/HYD/49283/2020.**

Sir,

Kindly refer to observation raised by the Nodal Officer/PCCF on dated 29.04.2026 on the subject cited above.

In this regards, it is submitted that all the observations/shortcomings have been duly attended point-wise reply is furnished as under:-

S. No.	Observation	Reply
1.	It is observed that the joint inspection report dated 09.04.2026 has been prepared by the Block Officer and the Forest Guard only. The Range Officer has neither signed the report nor personally endorsed it, and it appears to have been signed by someone else on his behalf. Moreover, the report has not been authenticated by the DFO. This raises serious concerns regarding accountability. The joint inspection report must be duly conducted and signed in person by both the DFO Territorial and the DFO Wildlife.	Fresh Joint Inspection of the project site was conducted on 15.05.2026 jointly by the Divisional Forest Officer, Bharmour Forest Division; Divisional Forest Officer, Wildlife Division Chamba; Range Officers of Bharmour and Swai Forest Ranges; and the field staff of Wildlife Division Chamba. The Joint Inspection Report, along with the sketch map depicting the distance of the nearest component of the proposed project from the boundary of Tundah Wildlife Sanctuary, has been duly signed and authenticated by the competent authorities. The same is enclosed herewith and also has been uploaded in Parivesh portal part-I against additional document serial no. 50 by the User Agency
2.	Although the CAT Plan has been uploaded, the copy of the approval letter under which the CAT Plan has been sanctioned has not been provided.	Copy of the approval/sanction letter pertaining to the CAT Plan is enclosed herewith and also uploaded in Parivesh portal part-I against column M.(ii) (a) by the User Agency.
3.	The KML file of the Compensatory Afforestation (CA) site has been found to be empty. A Complete and valid KML file must be uploaded.	KML file has been uploaded appropriate column parivesh 1.0 online part-II by this office.

In view of the above, the compliance report is hereby submitted for your kind consideration and recommended for further necessary action.

  
Deputy Conservator of Forests  
Bharmour Forest Division,  
Bharmour-176315.

## JOINT INSPECTION REPORT

Date: 15.05.2026

Place: Bharmour, Chamba, H.P.

In compliance to the observations raised by the Nodal Officer a joint field inspection of the proposed **Tundah II Hydro Electric Project (24 MW)** was conducted on 15.05.2026 by the undersigned officers.

The inspection was carried out jointly by:-

1. Divisional Forest Officer, Forest Division Bharmaur, District Chamba, H.P.
2. Divisional Forest Officer, Wildlife Division Chamba, District Chamba, H.P.
3. Range officer Bharmour and Range officer Swai
4. Field Staff of Wildlife Division, Chamba

The inspection covered the proposed project components falling around the forest area adjoining Tundah Wildlife Sanctuary.

It is observed that:-

The approximate aerial distance of the nearest component of the proposed project from the boundary of Tundah Wildlife Sanctuary is approximately **789 metres**.

The proposed project components are located outside the notified boundary of the Wildlife Sanctuary

The sketch map depicting the distance of the nearest component of the proposed project / site from the boundary of Tundah Wildlife Sanctuary and its components falling within the Eco-Sensitive Zone (ESZ). Further photographs of the site visit are also enclosed.

The joint inspection report is submitted for further necessary action in the matter.

O/o Pr. CCF (HoFF) Shimla.

Subject:

Regarding issuance of NOC in favour of Sai Engineering Foundation, Sai Bhawan, New Shimla-171009 (H.P.) for the construction of Tundah-II SHP (24 MW) within the jurisdiction of Sub Division Bharmour, District Chamba (H.P.).

Memo.

In this regard, it is submitted that the matter has been got enquired into through CCF WL (N) Dharamshala and on the basis of his report the comments of undersigned are as under:-

1. That the project is located approximate at an aerial distance of nearest component i.e. barrage of the above Hydro Project from Tundah Wildlife Sanctuary is 789 meters.
2. There is no scope for construction of any wildlife corridor in this region.
3. User agency has intimated that they will not carry out any explosive works near the barrage site. So the construction of said Hydro Project will not have any adverse impact on flora and fauna of the WLS.

CCF WL Dharamshala <sup>has</sup> further submitted that the project is recommended from wildlife point of view subject to the following conditions:-

1. No disturbance/harm should be caused to the wildlife.
2. Destruction of natural habitat or roosting areas, nests or dens of wildlife animal species is strictly prohibited.
3. No waste material like polythene bags, others biological waste etc. should be thrown in the area of work.
4. Construction work should be carried only during day time i.e. after sun rise or before sun set.
5. The natural water and other natural sources are not be disturbed but kept clean.
6. No fire, smoke etc. endangering the environment will be allowed in the forest area.

This is for favour of information and further necessary action at your end please.
