East Sikkim

No. 85 /45/DDT/GPU

Date: 21/01/2022

SPECIAL GRAM SABHA

AGENDA:

To discuss and pass the resolution for the diversion of 8 plots of forest land (2.394 ha Khasmal) to Education Department, Government of Sikkim for the establishment of N.I.T. Sikkim at Dungdung Khamdong East Sikkim and located in the interior part of proposed N.I.T. Sikkim land.

A special Gram Sabha was called by the Hon'ble Panchayat President of Gram Panchayat Unit of 45 Dungdung Thasa G.P.U Khamdong East Sikkim on 20th of January 2022 at Gram Prashasan Kendra, Rangtu. The members of the G.P.K and invited members of the concerned Department were present and discussed on the afore mentioned agenda.

After the discussion, the following resolution has been passed unanimously by the Gram Sabha.

It is resolved that, The Government of Sikkim has decided to establish the National Institute of Technology Sikkim at Dungdung, Khamdong East Sikkim with 100 acres of land. Further mentioning that The Education Department has already acquired 94 Acres of private land.

During the survey, it is found that the 8 plots of Khasmal land bearing plot no. 468, 482, 497, 500, 569, 681, 683 and 703 belongs to the Forest Department, Government of Sikkim. The total measuring area of these 8 plots of land is 2.394 Ha. These plots fall under the Revenue block of Dungdung Khamdong, East Sikkim. These plots are located at the interior parts of the proposed land for the establishment of N.I.T Sikkim. These plots are essential for the construction to make the contiguous campus of N.I.T. Sikkim.

The Gram Sabha of today dated 20th January 2022 resolved that, the above 8 plots of forest land measuring 2.394 Ha are essential to diversion for the construction of N.I.T. Sikkim. The Forest Department, Government may kindly consider the diversion process as per the Forest Act and hand over to the Education Department, Government of Sikkim.
