

## **Recommendation**

A proposal has been received from Sri. Rajesh R.Naik, Proprietor, Sairam Enterprises, Gaonger, Post:Majali,, Karwar taluk, Uttar Kannada District for the diversion of 0.4928 ha. Arav village for building stone quarry and approach road to quarry which was inspected by me on 29-08-2020.

The total length of the proposed road is 400 mtr. and the width is 4 mtr. They are seeking for the approach road for the commercial use of stone quarry. They may have to cut around 8 trees for repair work. The area is just adjacent to the Kolage village. There is not much private land holdings and/or revenue land available in the district for establishment of building stone quarry unit to supply material for construction developmental works.

Hence, it's recommended that, the diversion of 0.4928 ha. of forest land to the User Agency in F.Sy.No: 215A1A for use of forest land for non forestry purpose (Building stone quarry and approach road) with condition that, it should not be further widened and no damage to forest.

  
Deputy Conservator of Forests,  
Karwar Division, Karwar.
