2. The above clearance is accorded subject to the condition that tenders will be issued by the State only after complying with following issues and intimating the written compliance to NRRDA:

- The state should enter into Memorandum of Understanding (MoU) between NRRDA, Technology Provider and SRRDA for the roads sanctioned using new materials /IRC Accredited materials as per new technology initiative guidelines.
- State should get at-least one sample DPRs of each of the new technology adopted in this batch, before tendering of works.
- State must ensure that the payment to Cement Concrete roads is made only after verification of target strength achieved after 28 days based on cores taken from the pavement as per MoRD specifications.

- iv. State should get appropriate number of samples tested for stabilization of base and sub base courses for determining the dose of stabilizer for required strength, before award of work, from STA laboratories/State government approved laboratories having such facility.
- v. State must ensure that the payment for execution of those roads where stabilised sub bases/bases are provided, is made only after verification of target UCS strength of stabilized layer achieved after 7 days based on cores taken from the pavement as per MoRD specifications.
3. The OMMAS based road list along with the abstract is enclosed.
4. This issues with the approval of Competent Authority.

Your faithfully,

(B. Pawar)
