Ref. No. SEF/SML/2026/Camp-BMR-18

Dated 18-05-2026

To

The Divisional Forest Officer,
Bharmaur Forest Division,
Bharmaur, District Chamba, H.P.

Subject: Submission of compliance to observations raised by the Nodal Officer/PCCF in respect of FCA proposal for diversion of forest land for construction of Tundah-II Hydro Electric Project (24 MW).

Sir,

With reference to the observations raised by the Nodal Officer/PCCF in the proposal pertaining to diversion of forest land for construction of Tundah-II Hydro Electric Project (24 MW) under the provisions of the Forest Conservation Act, 1980, the point-wise compliance is submitted as under:

Observation 1: - It is observed that the joint inspection report dated 09.04.2026 has been prepared by the Block Officer and the Forest Guard only. The Range Officer has neither signed the report nor personally endorsed it, and it appears to have been signed by someone else on his behalf. Moreover, the report has not been authenticated by the DFO. This raises serious concerns regarding accountability. The joint inspection report must be duly conducted and signed in person by both the DFO Territorial and the DFO Wildlife.

Compliance: In compliance with the above observation, a fresh Joint Inspection of the project site was conducted on 15.05.2026 jointly by the Divisional Forest Officer, Bharmour Forest Division; Divisional Forest Officer, Wildlife Division Chamba; Range Officers of Bharmour and Swai Forest Ranges; and the field staff of Wildlife Division Chamba. The Joint Inspection Report, along with the sketch map depicting the distance of the nearest component of the proposed project from the boundary of Tundah Wildlife Sanctuary, has been duly signed and authenticated by the competent authorities. The same is enclosed herewith and also has been uploaded in Parivesh portal part-I against additional documents serial no. 50 for further necessary action.

Observation 2: - Although the CAT Plan has been uploaded, the copy of the approval letter under which the CAT Plan has been sanctioned has not been provided.

Compliance: In compliance with the above observation, a copy of the approval/sanction letter pertaining to the CAT Plan is enclosed herewith and also uploaded in Parivesh portal part-I against column M. (ii) (a) for kind reference and further necessary action.

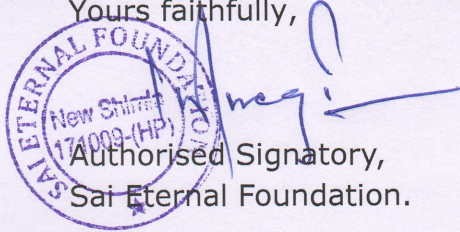

Observation 3: - The observation regarding the KML file of CA site pertains to your good office.

In view of the above, it is submitted that all the observations raised by the Nodal Officer/PCCF have been duly attended and complied with.

It is therefore requested that the proposal may kindly be processed further for obtaining approval under the Forest Conservation Act, 1980.

Thanking you.

Yours faithfully,

A handwritten signature in blue ink is written over a circular purple stamp. The stamp contains the text "SAI ETERNAL FOUNDATION" around the perimeter, "New Shirdi" in the center, and "171009-(HP)" at the bottom. The signature is a cursive script that extends to the right of the stamp.

Authorised Signatory,
Sai Eternal Foundation.

Encls.:

1. Joint Inspection Report dated 15.05.2026.
2. Copy of approval/sanction letter of CAT Plan.
