Please note, as informed earlier too, that there is no exemption from CA for the present proposal, as the CA provisions are equally applicable to all FC proposals. The instant project requires an equivalent non-forest land to be identified (<i>now</i>) and provided (<i>only after Stage-I approval</i>) for compensatory afforestation (CA) in accordance with Para 2.1 & 2.3 of the FC Guidelines and also the Government of Karnataka Order FEE 88 FLL 2016 dated 31-08-2016 (<i>which mandates providing private Land either as forest enclosure or adjoining forest area in man-animal conflict zone</i>). There is no exemption given by GOI under FC Guidelines on this issue.</p> <p>b) If the User Agency takes a stand that no CA land is required in instant proposal, please upload a letter (on official letterhead) stating the exact reasons for taking such a plea w.r.t. CA land in Additional Information details, so</p>	<p>We have uploaded a document in additional information section stating the exact reason for not providing the CA Land.
