Ajmer -305001

**Sub.:** Proposal for grant of permission for laying of 250 mm dia DI Pipeline along NH-8 (LHS) from Km. 83.400 to Km. 92.250 in a total length of 3600 meters near Beawar Bypass with 2 Nos. crossings of pipeline at Ch. 83+400 & 92+500 by Executive Engineer, PHED Project Division, Jawaja in the State of Rajasthan by using HDD and Open Trench method - reg.

**Ref.:** Your letter No. 14004/1/09/ACCESS/KB/1683 dated 15.12.2014.

Sir,

The proposal submitted vide your above referred letters has been approved by Competent Authority subject to compliance of the conditions enclosed as Annexure-I, obtaining NOC from Forest Department, if the stretch of NH is passing through forest, and subject to fulfillment of requirements of relevant MoRT&H circular/NHAI/Forest Department guidelines. You are further authorized to execute the License Deed/Agreement on behalf of NHAI after obtaining NOC from Forest Department and performance Bank Guarantees from the agency (laying along NH per RM / across NH per crossing) is applicable as per MoRTH/NHAI guidelines. Please ensure fulfillment of all the requirements as per relevant guidelines of NHAI/MoRTH prior to permitting actual execution of laying & crossing of Water Pipeline work in ROW of NHAI. The permission shall be subject to conditions that all necessary clearances including Forest clearance etc. if any, be obtained by PHED from concerned department, if required after ensuring the compliance of Para 8, 9, 10 & 11 of the checklist.

The proposed permission shall be subjected to following additional conditions that-

- (i) The stability & structural safety of the Bridges/structures embankment/road crusts etc. while laying & across Water Pipeline shall be ensured by the concerned Department.
- (ii) Prior to start of any work / signing of agreement, the applicant, if required should obtain permission from Forest Department for which relevant circular/ guidelines are to be followed by applicant.

no-33201 02.02.15

- (iii) Water Pipeline to be laid at extreme end of 60m ROW in the utility corridor only.
- (iv) The applicant has not submitted undertaking regarding deposition of necessary fee towards use of NH land. PD should ensure and obtained necessary undertaking before signing of agreement.
- (v) The concerned department will carry out the work of shifting / relocation of above water supply pipeline whenever required in future by NHAI at their own cost as per requirement and direction of NHAI.
- (vi) Performance Bank Guarantees (laying along NH per RM /across NH per crossing) is applicable as per MoRTH/NHAI guidelines in above location and concerned utility department will deposited the same through BGs before signing the agreement and execution of work.
- (vii) In case of any damages to ongoing road work due to shifting of pipeline within ROW, all cost pertaining to repair and the claims likely to be raised by the Concessionaire/IE, shall be borne by PHED.
- (viii) PD should ensure after signing of agreement that PHED Department has completed all the works of laying of water pipelines along NH/across NH as permitted by this office in time bound manner without any hindrance to running traffic.

*This issues with the approval of CGM (T), RO-Jaipur.*

Yours faithfully,

  
(Pradeep Mudgal)  
Manager (Tech.)
