13. Specific recommendations of the DCF for acceptance or otherwise of the proposal with reasons.

Construction of Imphal-Kangchup-Tamenglong road will give immense benefit to the people of the State particularly the tribal villages of Tamenglong and Senapati Dist. It will be the backbone of the two districts providing easy transportation of products and goods, improving living condition and providing more employment opportunities to the poor and needy people of the area. The proposed road will give easy access among different villagers of Tamenglong, Senapati and the valley region of the State. And thus become one of the tools to bring about communal harmony and lessen the indifferences within different tribes and community settling in the State. It will also provide shortest distance between Imphal - Tamenglong Dist. Headquarters.

Hence, the project proposal is hereby recommended for kind acceptance.
