3	The justification regarding exploring the private land for dumping sites is not acceptable. Hence, reply may be rectified.	We would like to clarify that there is no other private land which we can use for the dumping site. We will use the debris generated during the construction of the project for filling leveling and alignment
4	The reclamation plan is not complete instead of this dumping plan has been provided but plantation portion of the reclamation has not been provided	We have taken a total of 7 dumping sites in the project. We will plant trees in these dumping sites at our own cost. Undertaking in this regard has been attached in this letter.
