Respected Sir,

This is in regard to the forest diversion application for proposed 3rd railway line between Kalyan to Kasara (67.62 Km) Stations. In compliance to your Office Letter under Reference (1), we have submitted all the Village Maps (16 nos.) duly plotted with Forest Areas in required colour coding as sought vide our letters under Reference (2) to (4) above. On scrutiny of all the Maps by Forest Surveyor, 14 nos. village Maps were found to be correct; whereas in 2 nos. Village Maps of Savroli Bk and Shirol additional corrections were suggested. The same had also been rectified and verified by Surveyor subsequently.

In continuation to the same and as further sought by your Office, we have as well completed physical demarcation on site of forest patches in all the above 16 nos. villages.

This is for your kind acknowledgement and onward necessary actions.

Thanking You,

(D.D.Lolge)
