Subject: Declaration of No alternate Route available in between Kandhar-Ambulga-Rui-Mukhed.

Project Name. 1.AU-104

: Construction of Two lane road with paved shoulders from District Border Loha-Kandhar-Mukhed-Eklara-Khanapur-Narnagal-Sagroli-Biloli-Kundalwadi-Dharmabad to state Border MSH-16 & SH 268 Dist. Nanded under Hybrid Annuity
(MSH-16 from Loha Km 297/400 to Khanapur Phata km 371/900)

This is to inform you that, the subjected Road length in between Kandhar-Ambulga-Rui-Mukhed which now the part of Hybrid Annuity AU-104 is passes through Forest Area of Ambulga Tal. Kandhar and Kotgal, Tal. Mukhed. Study was carried out for alternate route going to Mukhed for bypassing this Forest area. After study and analysis, it is recommended the current route of Major State Highway MSH-16 Loha-Kandhar-Mukhed is best and shortest option. There is no alternate route available. Existing route of Major State Highway MSH-16 is the route connecting Taluka and Market places i.e. Loha, Kandhar and Mukhed and this is also useful for connecting route to Latur district. Hence Re-alignment is not possible in between these chainages Ch. 26/300 to 28/500, 28/960 to 29/560 and 38/100 to 39/700 km.
