**OFFICE OF THE PR. CHIEF CONSERVATOR OF FORESTS (WILDLIFE)/**  
**CHIEF WILDLIFE WARDEN**

**Sub:-Diversification of 7.4783 Ha of Forest land In Marwah, Forest Division for construction of road from Nowpachi Deherna upto Hanzal, District Kishtwar, UT of Jammu and Kashmir-comments of Chief Wildlife Warden, J&K thereof.**

In reference to above cited subject, it is conveyed that as reported by the Regional Wildlife Warden, Jammu and Wildlife Warden, Chenab-Kishtwar, the alignment of the said road neither falls inside the Kishtwar High Altitude National Park (KHANP) and nor in the Eco-Sensitive Zone of said National Park. Since, the National Park is home to some important wildlife species like leopard, brown bear, black bear musk deer etc., the movement of the animals outside the National Park and its Eco-Sensitive Zone may also occur. In order to take care of such movement of wild animals, user agency should prepare an animal passage plan for the project as per the standing guidelines.
