Date: 26-05-2020

To,
Deputy Conservator of Forest
Chikkaballapur Division
Chikkaballapur

Sir,

Sub: Diversion of 0.15 hectare of forest land in Bandahalli Village Sy No 38, Chikkaballapur District for Laying of MS Pipe line of Dia 490 m to provide Secondary Treated Sewage Water from HN Valley water in Kandavara lake of Chikkaballapur District in favor of Executive Engineer, Minor Irrigation and Ground Water Development, Chikkaballapur.
Proposal No. FP/KA/IRRIG/45295/2020.

Ref: 1.Our Application dated: 24-04-2020 (original)
2. A3/FC/HN Valley/CR- /2020-21 Dated : 15-05-2020

With reference to the above subject, it was further requested upload the additional information in the PART-I of the proposal (and also submit the hard copies – minimum 7 ink-signed sets)

SL No	Remarks of the forest department	Compliance
1	Written consent from the primary user agency i.e. NHAI for re-diversion of forest land diverted in proposal no. FP/KA/ROAD/2361 2006 in favour of Minor Irrigation department in the Sy. No. 38 of Bandhalli village and Sy No. 262 of Aruru village.	Proposed Alignment is passing through the NHAI allotted area as per the site inspection. Consent from the primary user agency is taken and uploaded in the Additional Information Details.
2	Additional geo referenced map [one in normal village map scale (1:7920) and another in larger scale(with greater zoom)] showing the forest area proposed for re-diversion overlaid over Cadastral(Village) Map with proper Map Index/Title and with the following information. [Note: Please	Complied.

SL No	Remarks of the forest department	Compliance
	ensure that the Survey Numbers and their boundaries are distinctly shown] a) Forest land already diverted to NHAI(within the concerned village limits) in one colour b) Forest area proposed for re-diversion in another distinct colour	
3	Additional KML file/sub-file (with in-built measurement option) and proper identifiable file name) of forest land diverted to NHAI already (within the village limits). [Note: presently uploaded KML files are not to be removed]	Complied.
4	Necessary modifications in all relevant items of Part-1 (including maps and KML files) in view of the fact that there is some variation in the length of the forest strip involved and also the Village Survey numbers (as noticed in the joint inspection)	Complied.
5	An undertaking to abide by the conditions that Government of India or Karnataka may stipulate at the time of giving approval for re-diversion.	Complied. Undertaking is uploaded in Additional Information Details

As the project is very essential for recharge the ground water table, we request to treat the proposal on top priority for processing further.

Executive Engineer,

Minor Irrigation & Ground Water Development Department
Chikkaballapur
