Dated:- 26.05.2022

To

The Chief Conservator of Forest (FCA),,
Shimla HP.

Sub:- Diversion of 5.368 Ha. of forest land in favour of HPPWD NH Division Theog for the Widening and Strengthening to Double Lane of Poanta-Rajban-Shilai-Minus-Hatkoti Road, Portion Snail to Hatkoti from RD 149/00 to 161/NH-72B(new No. 707, within the jurisdiction of Rohru Forest Division Distt. Shimla, HP. (No. FP/HP/Road/146729/2021).

Ref:- Your Office letter No. Ft.48-5182/2020(FCA) dated 21.05.2022.

Sir,

The reference cited letter is received in this office on 25.05.2022 from the Nodal Officer-cum-APCCF(FCA) o/o Pr. CCF, HP(HoFF) H.P. which is addressed to your office and the copy endorsed to this office the observations which concerned to this office are attended as under:-

Sr. No.	Observations	Reply
1.	In Part-I of the hard copy of the proposal folder, for all the requisite documents attached page-----has been mentioned but no page number have been mentioned in Part-I, whereas the particular document has been placed.	In Part-I of hard copy of the proposal folder, necessary correction of paging has not been done as hard copies still not received in this office.
2.	Against column No. 4(i), the density of vegetation eight and Eco Class VI has been mentioned and on the bill of NPV the density less than 10% has been mentioned and the rate of Eco Class VI have been levied in the bill of NPV. Further, in hard copy of Part-II the density of vegetation 8% has been mentioned, the density of vegetation is required to be mentioned in decimal unit not in %age.	Pertains to DFO
3.	Against column No. 6 DFO concerned has mentioned : Vulnerable to erosion and may need breast / protection/checkwalls in the uphill side. The detail measures to be taken by the user agency to stop the erosion is also required to be placed in the proposal folders	The provisions of protection B/Wall has been taken & placed in proposal for all vulnerable erosion points.
4.	There is difference in approximate distance mentioned in online Part-II and in hard copy Part-II. In online Part-II, against column No. 7, the distance .005 has been mentioned whereas in hard copy of Part-II the approximate distance 5 meters has been mentioned against column No.4.	Pertains to DFO Rohru
5.	No heading has been mentioned in Part-III, uploaded	Pertains to DFO Office

	and placed in the proposal folders.	
6.	No, heading has been mentioned in Par-IV & Part-V placed in the hard copy of the proposal folder	Pertains to DFO Office
7.	There is difference in district profile mentioned in online Part-II and in hard copy of Part-II necessary corrections are required to be made in online Part-II	Pertains to DFO Office
8.	At Page No. 34 an undertaking has been placed that the FRA certificate will be submitted at the time of submission of Hard copies of the proposed FCA case, but still no FRA has been submitted/uploaded in online Part-I against column No. K(i). Hence the revised undertaking is required to be obtained for placing the same in the proposal folders.	The revised undertaking to provide the FRA Certificate at the time of Stage-I approval has been placed in the proposal folder and also uploaded online
9.	PDF of hard copy of proposal folder is also required to be uploaded in online Part-I and Part-II	PDF of Part-I has been uploaded on the MoEF Portal and Part-II pertains to DFO office
10.	Muck management plan has not been found placed in proposal folder. Muck management Plan / Reclamation Plan for reclaiming the dumping site is also required to be placed in the proposal folder.	The Muck Management Plan has been placed in the proposal folders
11.	Dumping has been proposed over 3.0468 ha. of forest land and no dumping has been proposed over non-forest land. Number of trees involved over the dumping sites is required to be intimated and a separate list of trees standing over dumping sites is required to be placed in the proposal folder	Pertains to DFO Office

Encl:- As above
