Dated 27.05.2024

To,

The Divisional Forest Officer,  
Dharamshala forest Division,  
Dharamshala, District Kangra (H.P.)

Subject : Diversion of 1.7029 ha. of forest land in favour of M/s Gaj Hydro Power Private Limited, Village Sanauran, P.O. Gaggal, Tehsil & District Kangra, HP for the construction of Gaj Gehra Small Hydel Project (2.00 MW) HEP, within the jurisdiction of Dharamshala Forest Division, Distt. Kangra, Himachal Pradesh-reg.

Sir,

Kindly refer to the observations raised by Nodal Officer Cum-Addl. Pr. CCF (FCA) HP Shimla in online Parivesh on the subject cited above. In this regard we hereby submit as under:

Sr. No.	Observation	Reply
1.	The matter has been discussed with the officials of IRO. They have categorically conveyed telephonically that the re diversion will be considered only after surrender of the area.	It is humbly submitted that the area proposed for re-diversion i.e, 0.3619 hac. in the present proposal is being used by the Primary User Agency for Dumping of Muck and laying-off overhead Transmission Line for which it has been originally diverted. The land is being used by the Primary User Agency and the lease deed of the same has been executed with the Govt. of Himachal Pradesh. As the primary User Agency is in possession of the land, it cannot be surrendered back to the Forest Department. The consent to use the said land has been issued in favor of the Applicant which may be considered.

So it is requested to kindly reconsider our proposal for diversion of 1.7029 Ha. forest land including 0.3619 ha proposed for re-diversion for the construction of Gaj Gehra Small Hydro Project 2 MW.

Thanking You,

Yours faithfully,  
For Gaj Hydro Power Private Limited
