

DETAIL NOTE ON THE PROJECT FOR WHICH DIVERSION OF FOREST LAND IS REQUIRED.

Name of the proposal:- Diversion of 0.282 hect. of forest land in favour of H.P.P.W.D. for the construction of link road from Jeoura to Rohal K.M. o/o to 2/0 within the jurisdiction of Forest Division Bilaspur H.P.

There is proposal for the construction of road from Jeour to Rohal in Tehsil Jhandutta Distt. Bilaspur H.P. under P.M.G.S.Y. The road is in Core net work. The total length of the road is 2/00 K.M. 0.282 hect. of forest land proposed to be diverted in favour of H.P.P.W.D. for the construction of road. The remaining portion of the road will be constructed in Private land. The proposal is amongst 2183 roads in which violation has been reported to the Hon'ble High Court of H.P. There is no other suitable non forest land for the construction of said road. Presently the residents of village Rohal and other small habitations have to go on foot to reach main road . This road will benefits about 2000 people of village Rohal and about 43000 mandays will be generated by construction of road.

The ill effect on the environment, which are anticipated due to construction of road have been taken into consideration. A separate site for dumping 0.15 hect. has been proposed to be diverted for dumping of muck. The debris will not be thrown on the valley side. The proper provision has been made in the catchment area to reduce the soil erosion by proper drainages and soil conservation measure. The compensatory afforestation charges Thus all aspect has been taken in to consideration to minimize the ill effect on the environment.
