

DETAILED NOTE ON THE PROJECT

The highway starts at Mydukuru market junction i.e. intersection with NH-67 and connecting porumamilla, Seethampuram, CS Puram, Pamur, Kandukur and ends at Singarayakonda on NH16. It passes through three Major Districts i.e. Y.S.R Kadapa, Nellore & Prakasam districts in the State of Andhra Pradesh. This highway acts as a link between NH67 with NH16.

The Ministry of Road Transport & Highways (MORT&H) has proposed to upgrade the existing road to two lane with paved shoulders configuration as the existing road is unable to meet the traffic demand. But The existing road from Km.51/000 to Km 58/500 is passing through Kavalakuntla RF of Porumamilla Range of Proddatur Division in YSR Kadapa District of Andhra Pradesh. Therefore proposal for diversion of **11.03 ha** is proposed for improve and widening of the existing road to two lane with paved configuration.

This is submitted that Widening and improvement of this section of NH-167B would further improve connectivity in terms of achieving smooth and safe traffic flow and improve level of service. In addition to above, substantial economic gain in terms of reduced Vehicle Operating Cost (VOC) and reduced travel time will be achieved.
