Additional information about uploading and editing on Parivesh Portal

1. To comply with EDS raised by MoEF&CC on 05.03.2025 revised DGPS report and KML file of Bhatgaon UG Mine has been prepared and fresh DGPS report and KML file of Mahan OCM has also been prepared. Scanned copy of both DGPS reports has been uploaded under additional documents, but both the KML files could not be uploaded on the Parivesh Portal because portal has no such place for uploading these KML files (Technical reasons of Parivesh Portal). However, both KML files are being submitted in the CD enclosed with the file.
2. Portal has allowed to edit the following details –
 - a. Village wise land details – at point no B-2.3 of form A, Part 1
 - b. Component wise land details - at point no B-2.4 of form A, Part 1
 - c. New Geo reference boundary map at point - C. of form A, Part 1
 - d. Authorization of person making application - at point no A-3. of form A, Part 1
3. Other details, arising out of revision of mining plan and revised DGPS report, could not be changed as the portal is not allowing.
