Subject : My Proposal FP/TN/Approach/39679/2019 Response to your letter dated 25/05/2019 regarding Approach Road access to my land at kanchadimangalam village, Chengalpattu Taluk, Kancheepuram District.

Respected Sir,

I have applied for Approach Road access for my property at Kachadimangalam Village through Thirutheri Forest, In reply to your letter dated 28/5/2019. Please find below my response I have updated online.

1. We have existing road of 12 feet vandi pathai, both sides of the road primarily has small plants, bushes and scrubs, we accept for any cost towards if afforestation.
2. No visible tree growth is available in the proposed alignment path.
3. The alignment path is admitted right of way, our request is only to increase the width of the existing road from 12 feet to 33 feet.
4. The areas our field are accessed by the existing 12 feet village access road.

Thanking you,
Yours Truly,

Pallavarajha.
